Nothing in life is to be feared, it is only to be understood.

The trouble with doing something right the first time is that nobody appreciates how difficult it was.

Among the most important people in the school, no doubt the principal is one of them. His many tasks amount to a desk full of work that has no end. These tasks include solving problems, authorizing school activities, keeping in touch with the Downtown Administration and many more. Usually they end up as one might expect, as a headache.

Being principal of a school as large as Hempstead is not an easy job and many

responsibilities are in his hands. Yet he makes time to walk through the halls, talk with the students and see what's going on in various classes.

But Mr. Moody isn't the sole Administrator. He receives a LOT of help and support from the Associate Principal, Mr. Peck; the Assistant Principals, Mr. Hauth, Kirk, and Potts and the Activity Advisor, Mr. Derouin.

A clear, unusually warm October day marked the beginning of the Hempstead Homecoming Festivities for 1976. With leaves falling and a breeze that had a hint of Fall just around the corner, the Homecoming Assembly opened the festivities in a bustle and hustle of anxious classmen awaiting the announcement of the Homecoming Queen for 1976.

Dear Hempstead High

The days October 1-2 1976 will be stuck in my mind for many, many years to come. The happiness, excitement, and the thrill of it all to be crowned Hempstead's Homecoming Queen. I would really like to thank everyone who made these memorable moments possible. It was such a great and wonderful honor to know that you have friends and people who respect you enough to represent your school for two dreamable days. It was a feeling deep down that I myself have never experienced. From the time on when my name was announced at the assembly I was on a natural high.

Being elected Homecoming Queen did not take any thing away from me, but it did give me a greater feeling and understanding toward others. Just to know all the beauty inside of everyone.

Wendy Kelleher

Homecoming

(Continued from Pg. 16)

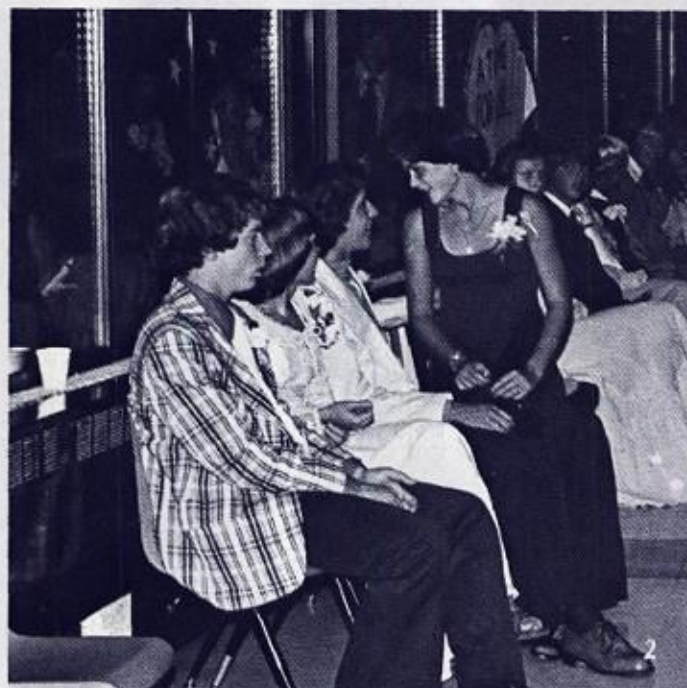

The gym, crowded with people, fell in silence and suddenly rose in applause as Wendy Kelleher was crowned the Queen.

Following was the parade with floats streaming down the street as if they really were floating. The band, sounded with drums, trumpets and trombones, the delicate flute's shrill and the chiming of the xylophone.

The football game, in spite of the double overtime lose to Clinton (23 to 20), highlighted the thrill of Homecoming '76 with the usual excitement of a Mustang football game.

Twas two nights before Christmas and
 all through the hall;
 couples were dancing and having a ball.
 The presents were stacked 'round the
 tree with care;
 to add to the shiney red ornaments there.
 The couples were nestled in each others
 arms;
 while being enhanced by the mistletoe's
 charms.
 The girls in their gowns and the guys
 with their smiles;
 walked to the Oak Room to mingle
 awhile.
 Away from the music and all of the
 noise;
 were whispers among now-grown
 girls and boys.
 Away from the hustle and bustle next
 door;
 of those moving gaily about the floor.
 The dance had gone great and so often
 I'd hear:
 "Of course, by all means, I'll be here
 next year!"

Tri-School Christmas Dance

Marty Ball, and Louise Neyens; king and queen, reigned over the 1977 Hempstead Valentine Dance which was held February twelvth after the game against Iowa City West. The dance was in the Hempstead Commons from 9:00 to 12:00. Music by Lavendar Hill set the mood for cupids arrows and romance.

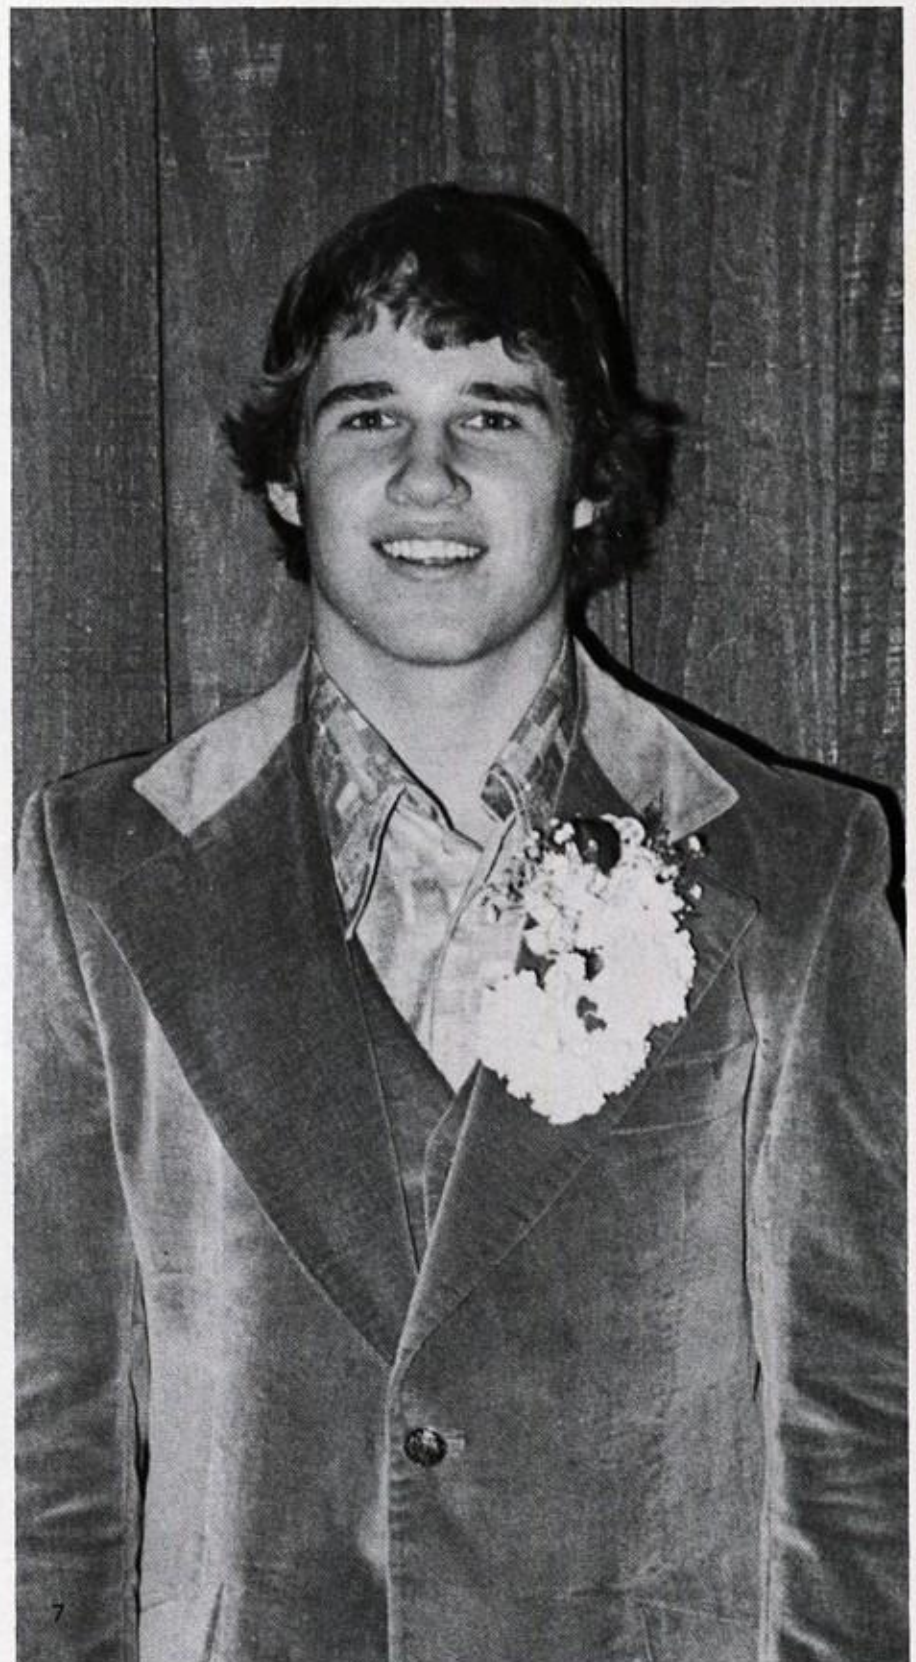

Louise's court consisted of Judy Oehrle, Sylvia Sanchez, Kim Derby, Sharon Hoffman, and Linda Roussel.

Marty's court included Jeff Potts, Russell Schwartz, Dave Michels, Bob Sass, and Steve Maas. Due to problems concerning pictures, the boys court shots were not able to be printed.

"This One's For You" was the theme of this year's Prom held May 7 at the Ramada Inn.

Clock Goes Too Fast, Mustangs Denied State Berth

The Mustang Varsity Football team had a 7-2 overall record and a 6-2 conference record. The team was nearly all year rated in the top ten only to be denied from going to state by a clock that wouldn't stop in the closing minutes of the last game.

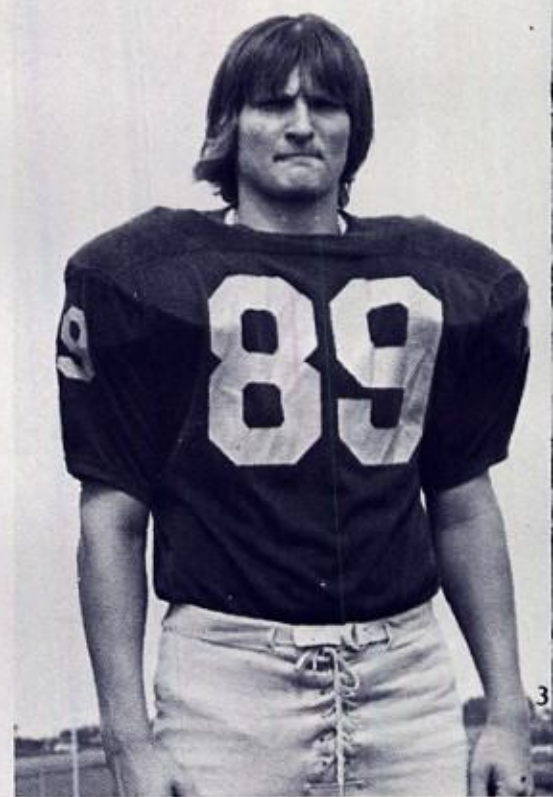

This year's team had great depth with sixty seven of the best players. There were few weak spots a quickness in the back-field and a strong powerful line.

"Nothing is greater than making a quest for a championship, even though we didn't make it we are still champs in our own right," Coach Timmerman.

"After losing our homecoming. It was a great feeling to wreck someone else's. (C. R. Washington), and we beat them as a team not as a bunch of individuals and this is part of winning," Lee Wiest.

Etten, Dan Walker, Rick
Crews and Jeff Petty, Ron

"I was very pleased
with the performances of
the players. They all play-
ed up to their abilities and
sometimes I got more than
expected. The team played
as one and their was better

position," Coach Core.

Freshmen

Winning seemed to be the word for the Freshman football teams this year as the Gold team finished with a perfect eight and zero record. The Green team ended with a record of five and three, and the White team finished with a four, three, and one mark.

"It was a pleasure for Dave Bennett and I to work with this group of Freshman. The biggest asset to the Gold team was its general quickness on both offense and defense," said Coach Duane Nilles.

"There were a lot of Freshmen that I believe will be starting at the Sophomore level next year and at the Varsity level in two years because they have the confidence and experience to play on the Varsity level," commented Nilles.

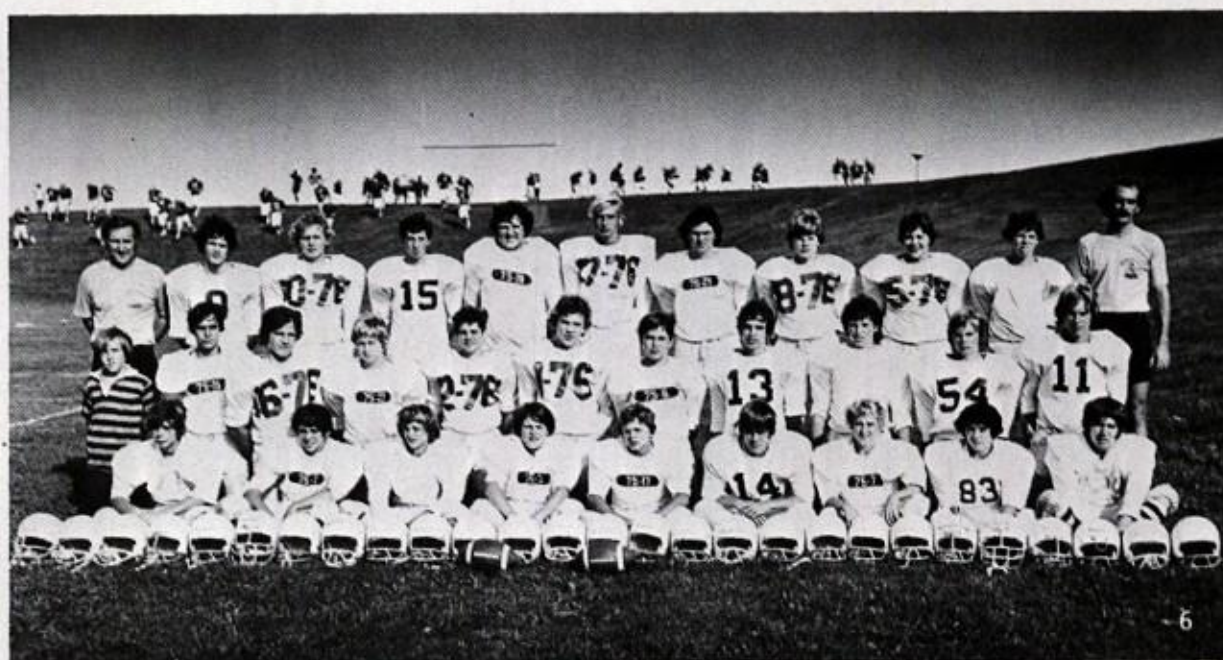

1. The quarterback pitches the ball to Dan Butler while Russ Hall blocks. 2. The Pirate ball carrier gets tackled by two gold players. 3. Dan Butler makes his way to the goal line. 4. The rush is on as the quarterback goes to pass the football. 5. Tom Holt catches the pigskin for a touchdown.

Cross Country

When approached Bob Frasier a graduating senior who has been on the cross-country team for the past 3 yrs. responded, "How good you run depends on your state of mind on the day of the race. Cross Country is a major mental sport as well as a total physical one, because if you aren't in shape you're sunk. During the race different people have different methods of contration, my mind goes totally blank, until five minutes or so after the race and then there is realization. Cross Country runners are the craziest people in the world, because who else would run two miles?

Volleyball

"This was basically a rebuilding year for the volleyball team. We lost 7 members of the 1975 State Champion team and, in light of that, this has been an excellent year. We won far more than we were expected to by taking the Dubuque Invitational Tournament for the fourth year in a row, the Mississippi Valley Conference title for the second year in a row, and winning the District and ending up as the State runnerup," Coach Mike Marty.

The girls made it to State this year but unfortunately lost the title to Walert.

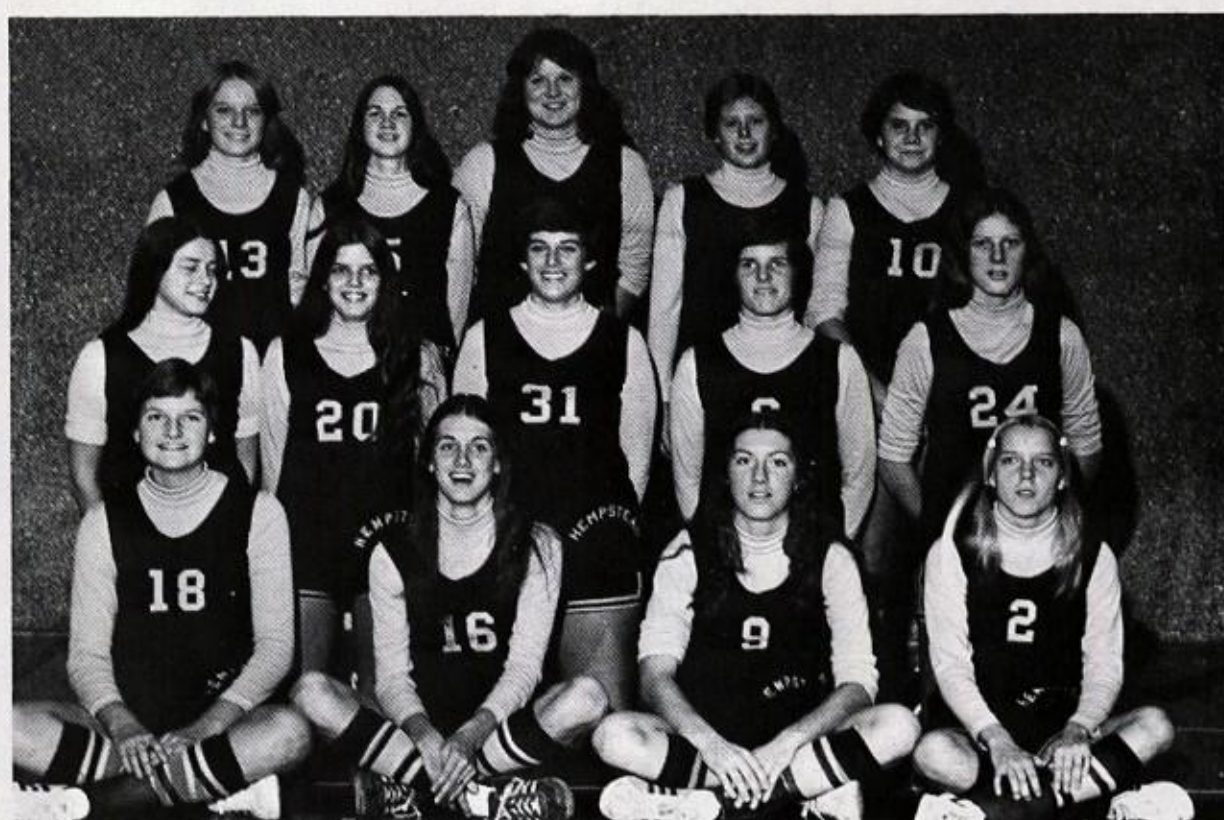

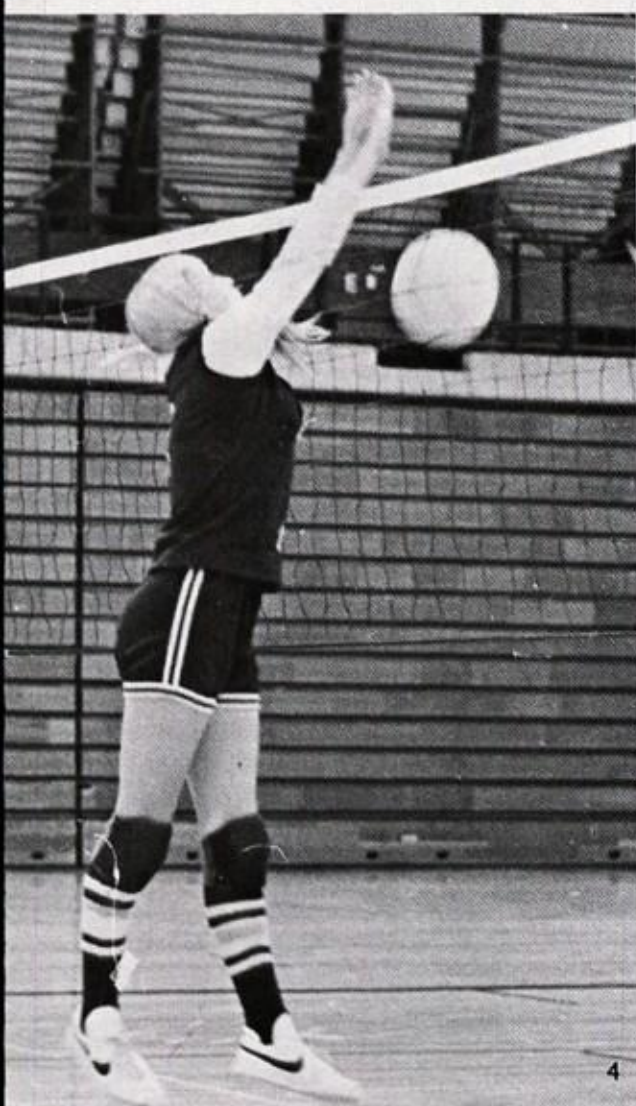

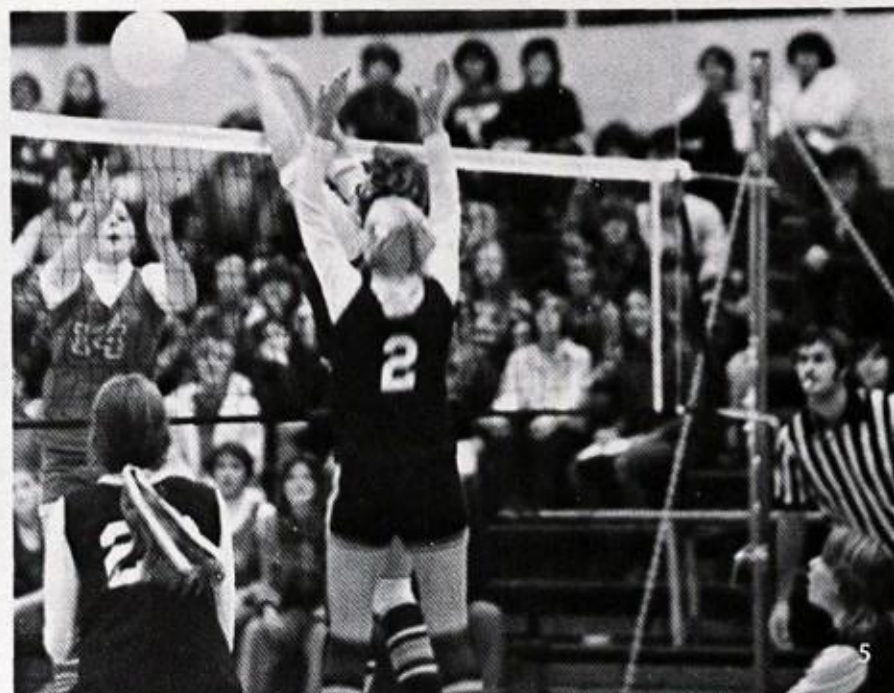

"I thought this year's season was really a good one, it was really a disappointment to lose to Walert in State finals, but it's good to know we made it to State and we beat Senior in districts to do it." Sandi Hartmann '78'

Janet Roth '77' whose setting and all-around play was unanimously chosen for captain of the team comments, "We had a very successful season this year. I think a lot of the success that we had should go to Mr. Marty, he really is a good coach. I would like to wish next year's team good luck.

Patti Dessyen '77' who was also nominated for all-state was selected to the second team. "After

our first game with Senior, when they blew us out of their gym, everyone was about to give up but instead we just worked, all the harder and in the end it worked out pretty good."

"Probably the most important thing this season has taught the girls is the importance of ATTITUDE and TEAMWORK. When we had good attitude and teamwork, we won and without it we beat the poor teams with difficulty and lost to the good teams. Skill was never the factor in winning or defeat, as was attitude and teamwork." Coach Marty.

"I thought we had a good year, but if we worked more as a team we could have taken state." Peggy Desseyn '79'

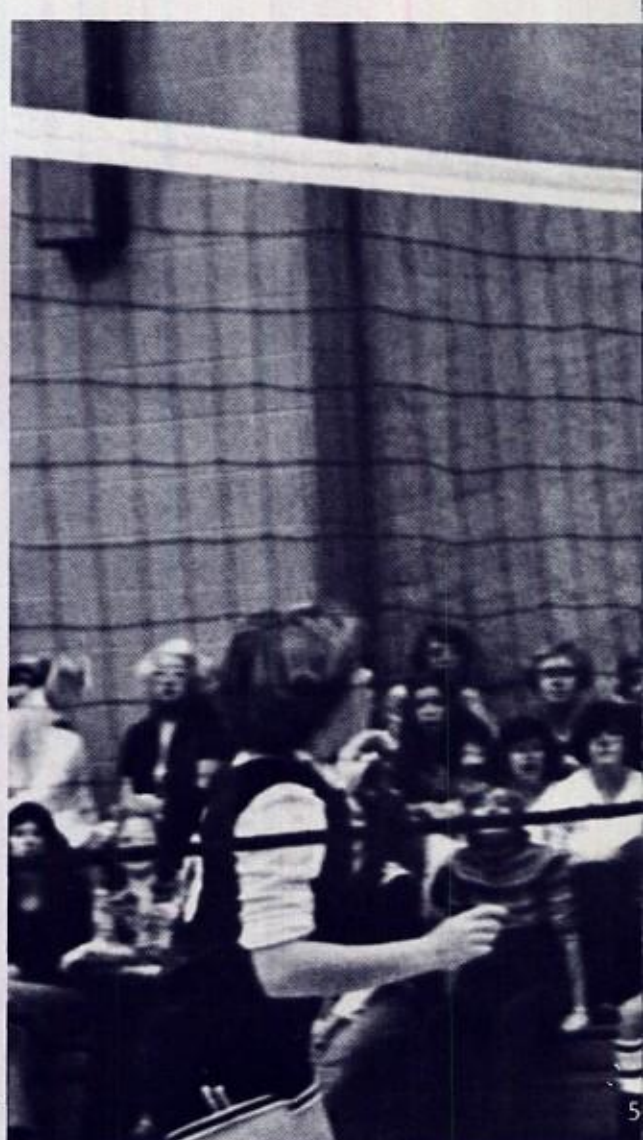

"This year we really learned how important it is to play as a team, and we'll need that experience next year in order to be another State Tournament team," Kim Derby '78'

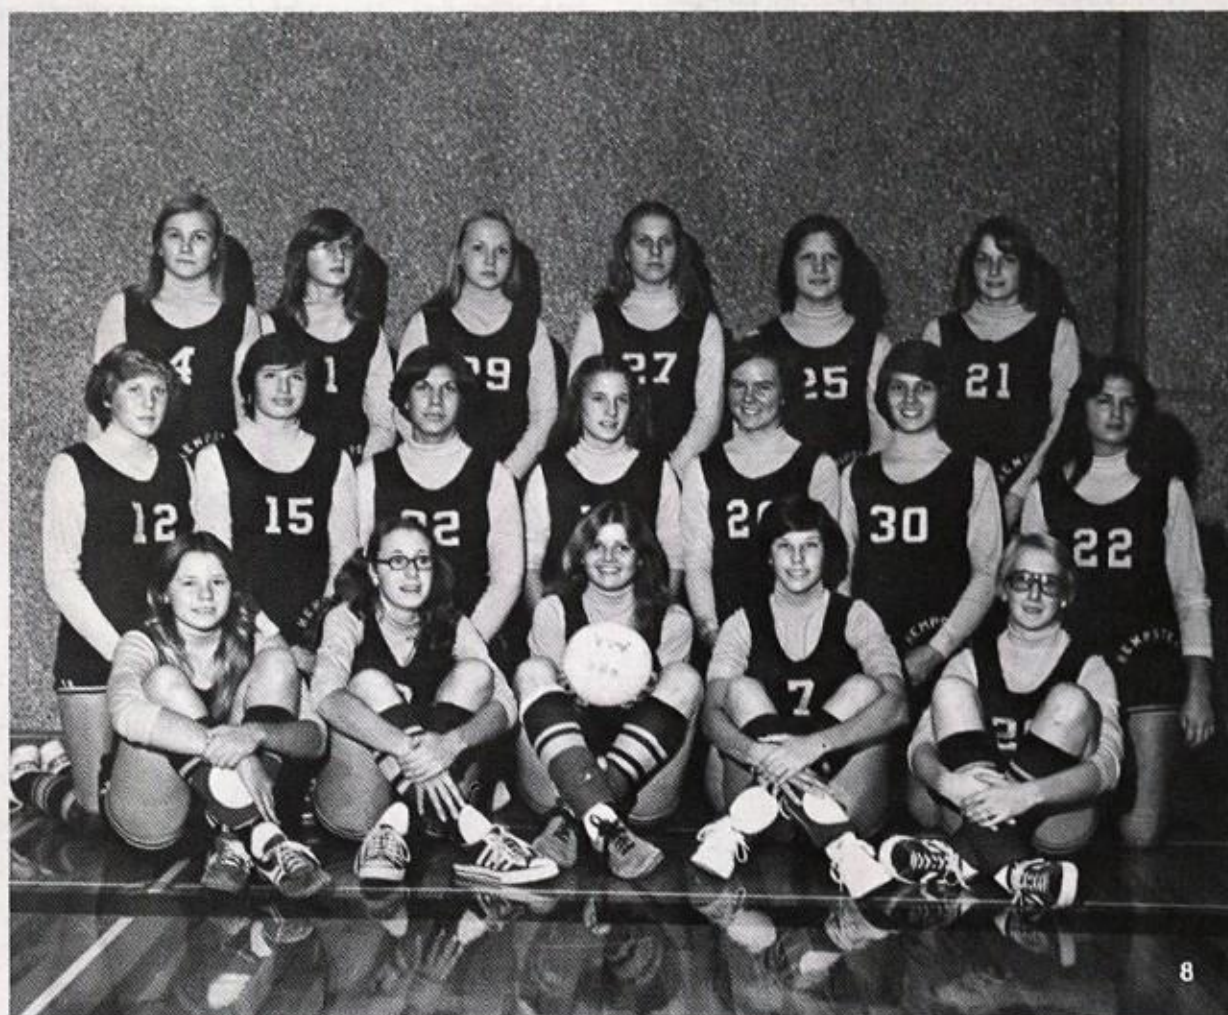

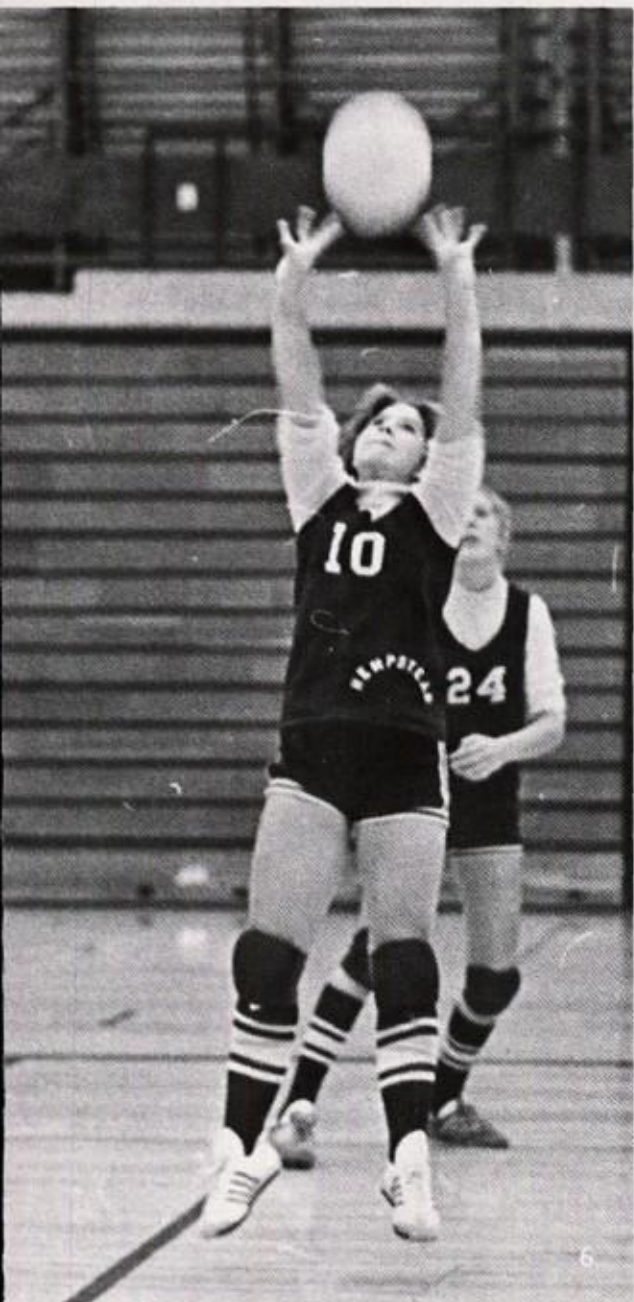

"The biggest disappointment to me was losing State, but I think next year we'll be State Champions for the second year." Michelle Lewis '78'

"It was just unbelievable that we went to State for the second year in a row. Even though we weren't number 1, we did good." Doreen Delaney '78'

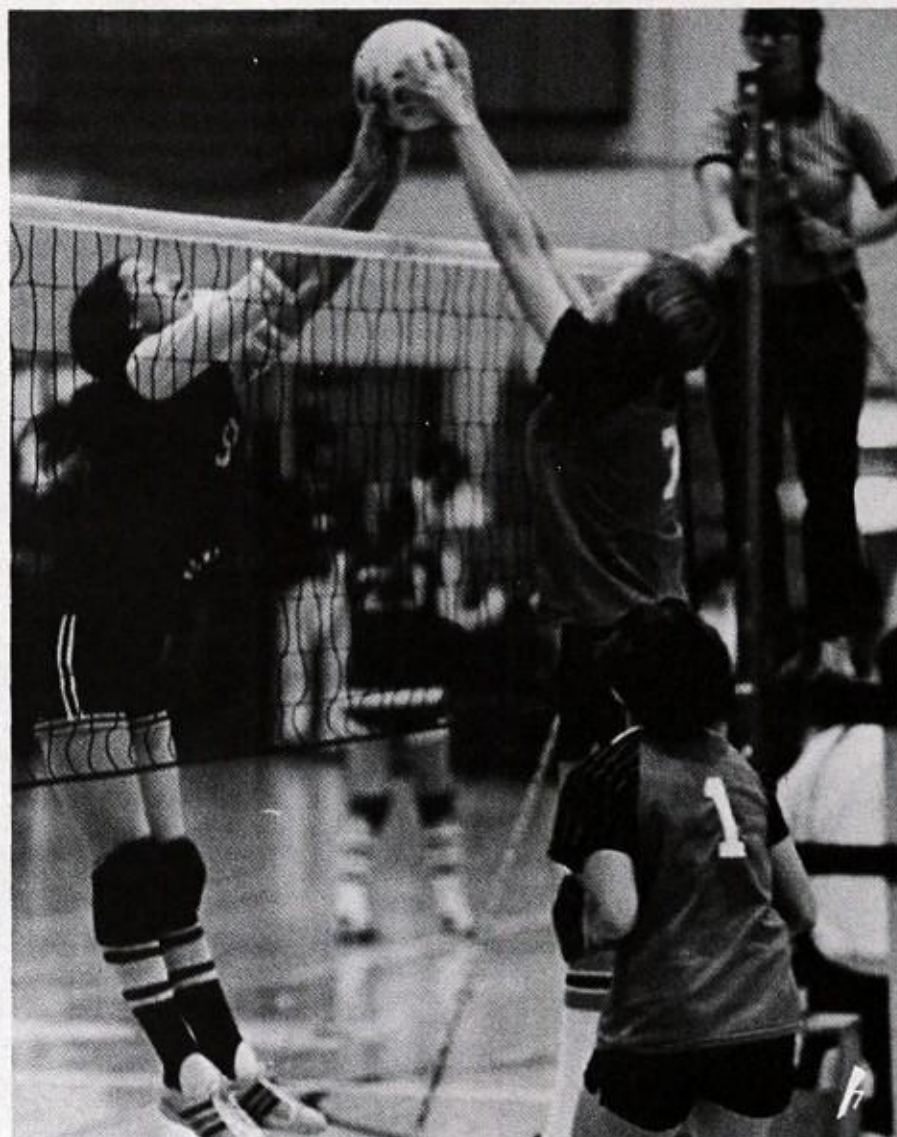

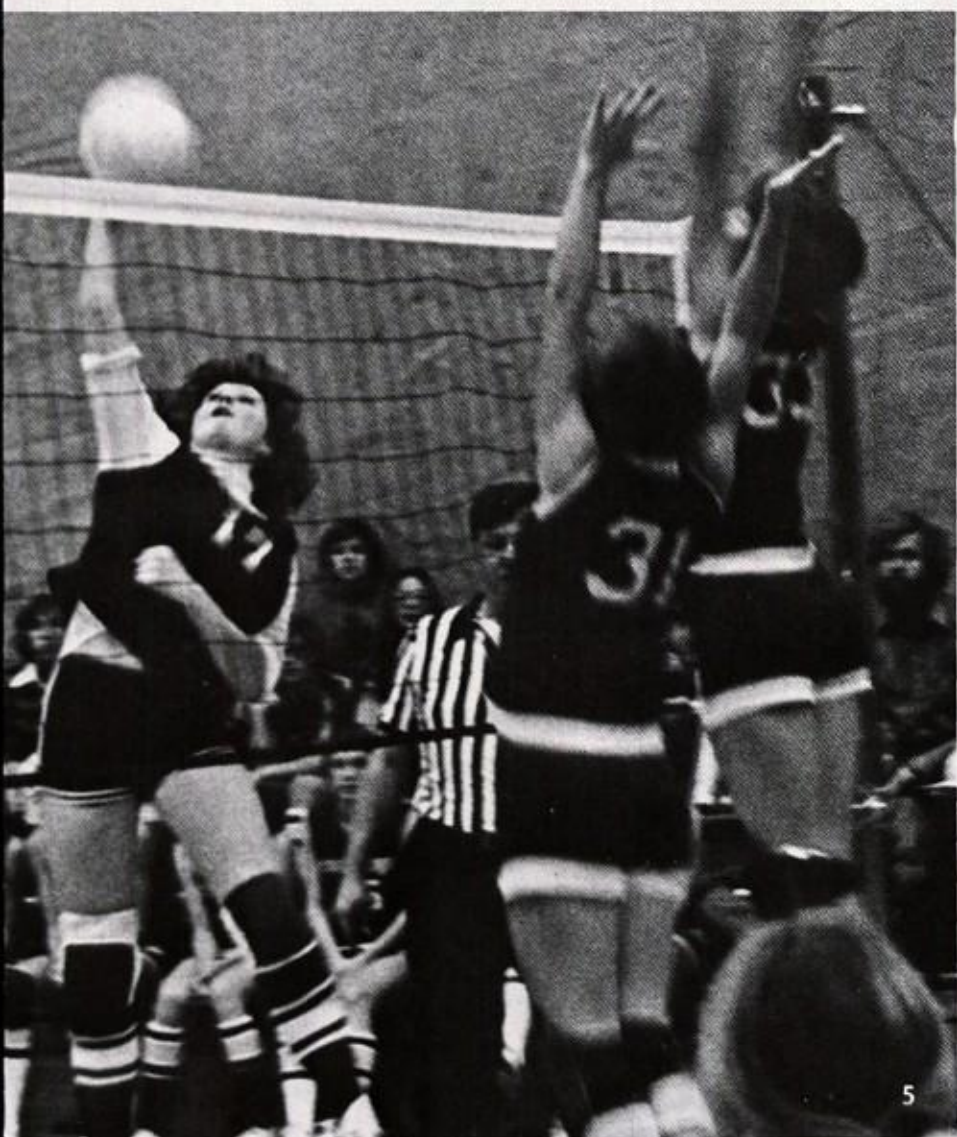

With a record of 29 and 5 for this season and an over all record of 114 wins, 17 losses and 1 tie for a 5 year period, it is easy to see why we call volleyball Hempstead's longest winning tradition." Coach Marty

GIRLS GOLF 1977

According to coach Richard Baal, the Oelwein Invitational was probably most representative of the team's effort this year. The girls came in first over the other five schools, including Wahlert, Senior, and Cedar Falls. "We were truly proud to bring our trophy home to Hempstead."

"The leadership, confidence and positive attitude shown by Lori and Ann had definitely been responsible for our good season, and they will be sorely missed. This is proven by the facts that Lori is number one in the Mississippi Valley with a score of 89 in the conference meet. And Ann was medalist with an 88 in one of our dual meets with Senior," said Coach Baal.

The boys golf team finished 6th in the Mississippi Valley Conference fall golf with a 1600 stroke total. Cedar Rapids Kennedy won the MVC with =1526.

The 1976 girls swim team finished the season with a record of 1 win and 14 losses, but did much better than their record shows.

"A couple of our goals that we set up at the beginning of the year were to win a meet and to send someone to state, both of which were accomplished. Even though our record was only one and fourteen, I was pleased with the effort the whole team put forth during the season, especially the fact that we broke eight out of eleven school records. And I was really pleased that we did send someone to state. Tina really deserved to go to state.

But I felt that the girls could have done much better if our practices would have begun a little earlier in the year," stated Coach Rick Schwery.

The boys did however break 45 personal records and won two meets, one against Waterloo Central and the other against Tip-ton. The most spirit was shown against Senior in the district meet, where Hempstead placed 7th out of 9 teams.

"Next year should prove to be a good one, we're only losing one guy so the team should be more experienced," stated Coach Schwery.

There are five lettermen returning next year, and a very successful sophomore team promises added strength to next years' squad.

A Year Of Rebuilding

The beginning of March brought out last year's sweats, new faces, ambitions, and a good outlook on the track season ahead. Practice began on March first and for the first few weeks tired faces and sore muscles prevailed.

Winning the Mustang Relays and setting sixteen new school records, along with three city records, showed an improved, more experienced squad than last year. Losing the city meet by one point made the meet almost a repeat of the year before. When the Mustangs lost by two points, the last event deciding the outcome both years. Cheryl Patrum, Hempstead's only state qualifier made a great effort placing fourth in the 100 yard dash.

Coach Beeghly was pleased with this years squad and said there was a lot of team spirit among the girls.

Boys Baseball

Last season, Hempstead's Baseball team compiled a record of 26-6. The confident Mustangs won 11 games in succession to capture the Mississippi Valley Conference title for their third year in a row.

In winning the Conference title the Mustangs swept by Bettendorf 8-6, C. R. Jeff. 32-9, Muscatine 5-4, and Senior 5-4. The Mustangs also managed to hold onto the Dubuque Invitational Tournament Championship for the third year in a row.

The Mustangs met with Maquoketa Valley for a major upset ending their winning streak in the first game of district play. The Mustangs entered the Conference Championship with five players named to the 1976 All Conference Team. Mike Delaney, '76 and Kevin Hedrick '76 shared the pitching duties for Coach Dick Core and were selected first team All Conference.

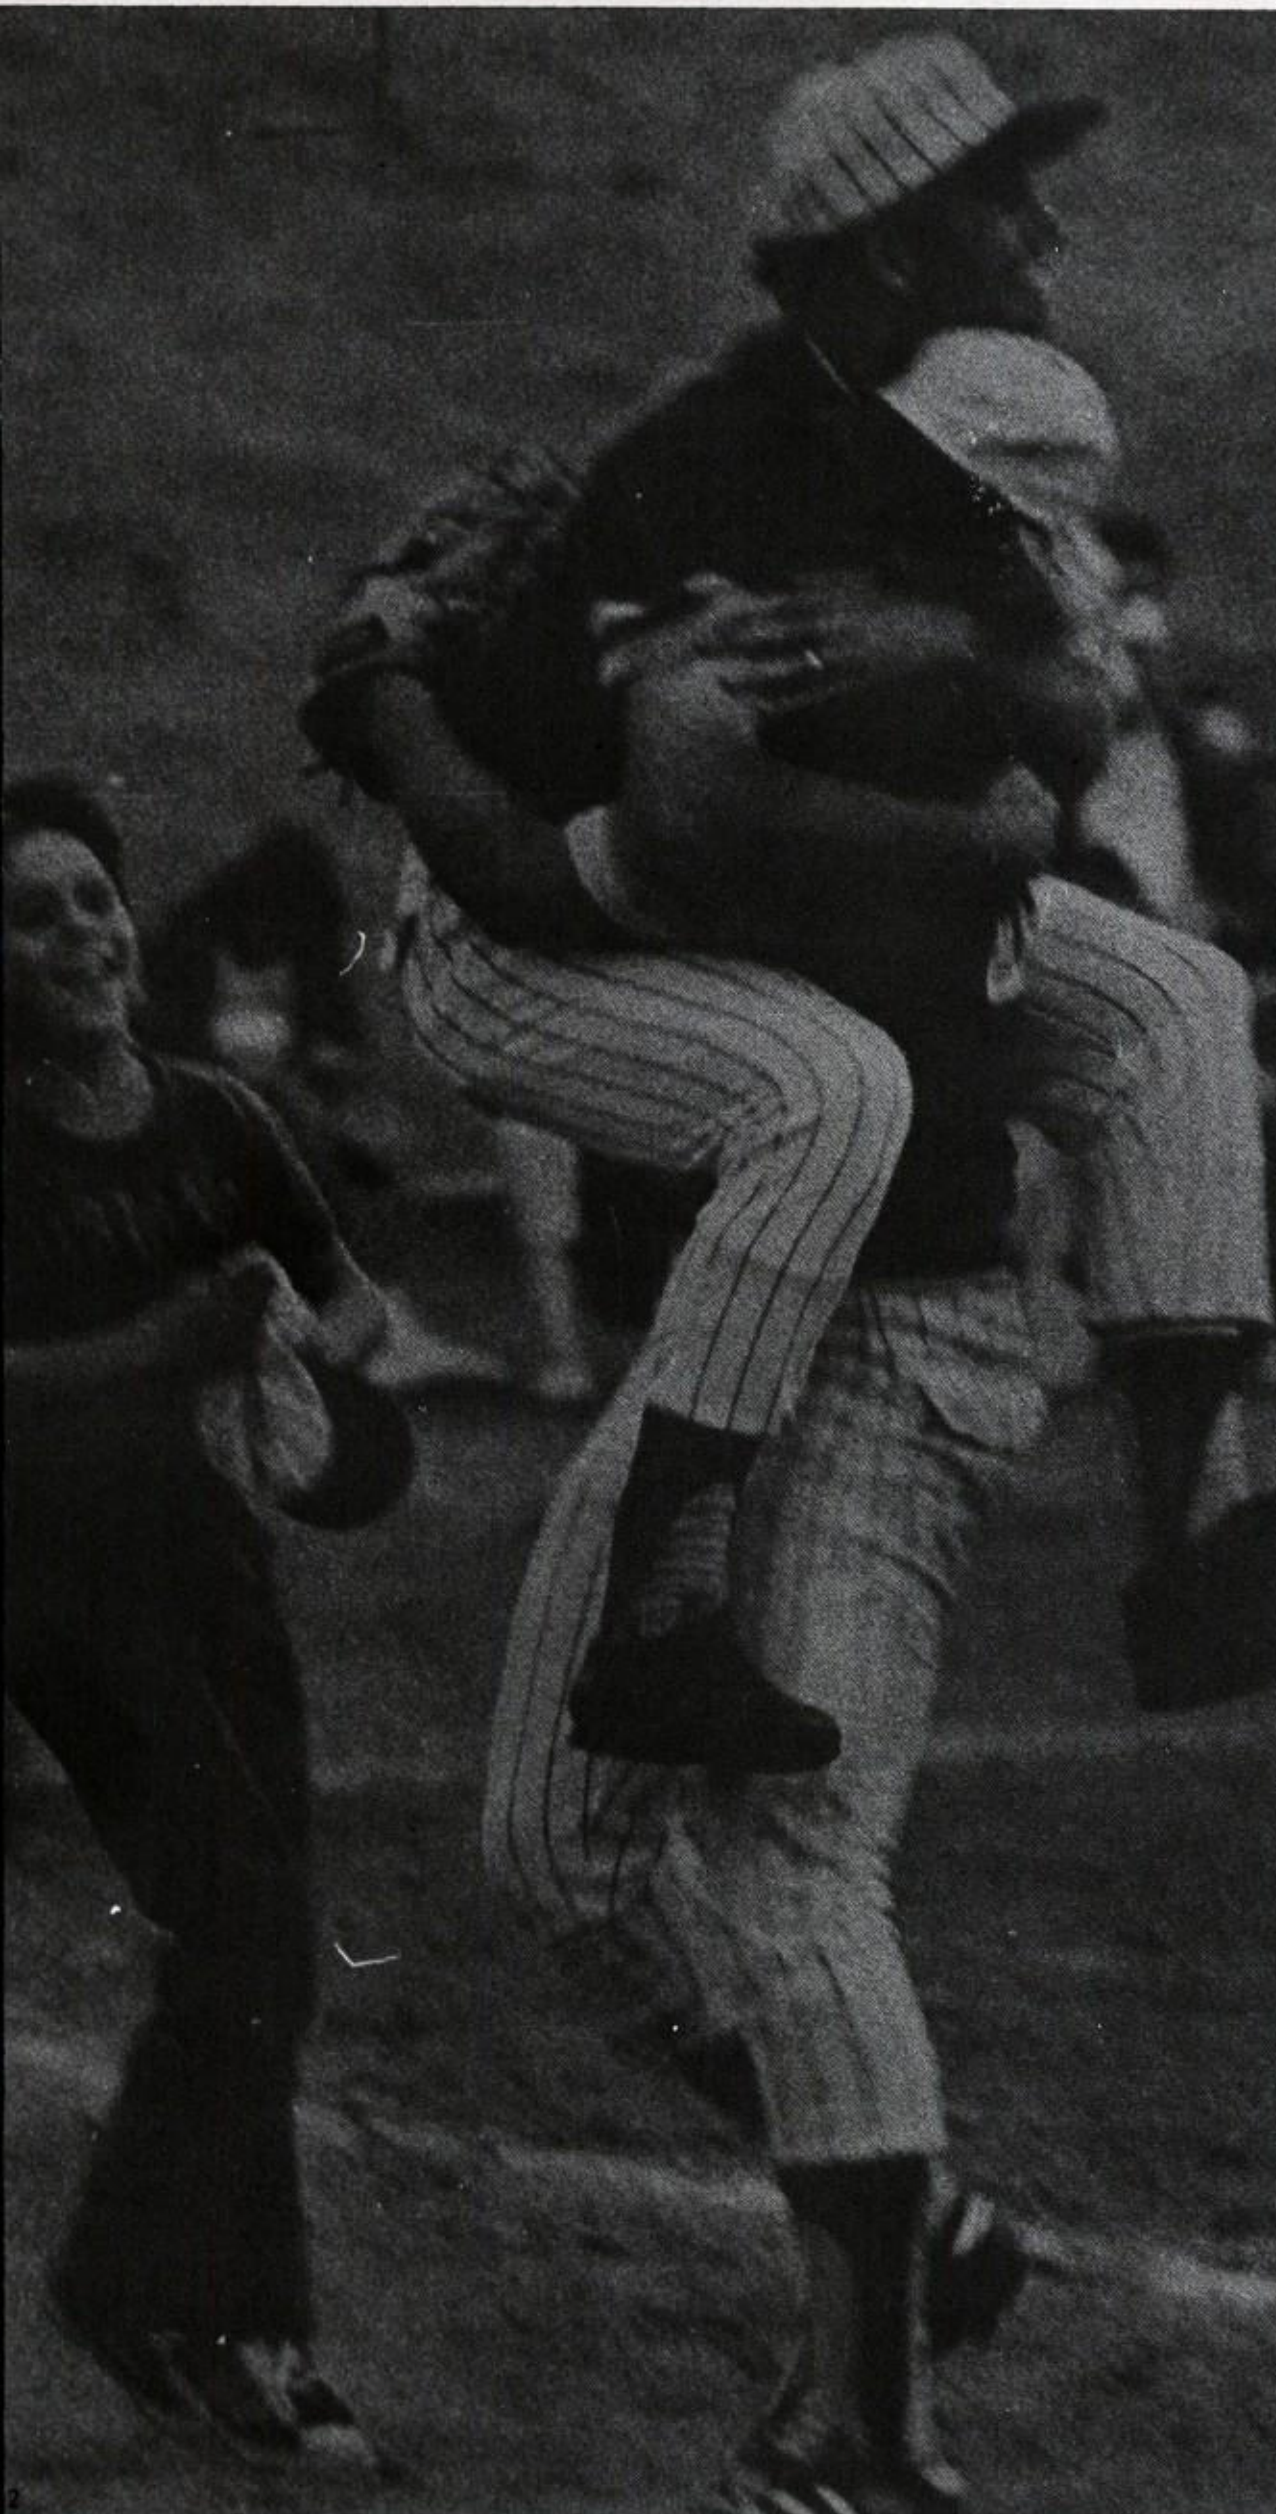

The Mustangs' three selections to the second team All

Conference are pitcher Larry Gladson, '76, first baseman Dan Merrit, '77, who compiled a batting average of .459.

The Mustangs' weak points this past season included, "Injuries to our key players," Said Coach Core. Starting 3rd baseman Tom Swartz was out most of the season with an injury to his knee and junior Paul Simon was in and out the whole season with an injury to the knee.

The Mustangs strong points were their quickness and speed on the bases, their enthusiastic strong bench, and good relief pitching by Kevin Hedrick, Larry Gladson, and

Dan Merrit combined with strong hitting Mike Delaney, a powerful senior who hit .464. Hedrick batting .379 and junior Rick Steil were also dangerous at the plate, batting a .459.

"This coming season there are a lot of key players returning, and the sophomores look promising in hitting prospects," said Core. Core was also named as Coach of the year for the second consecutive year.

Reflecting on the season, the players voiced these opinions about their play; Dick Breitbach-Catcher, '77, said, "If we would have won the first game of district we would have gone on to win state."

When asked about the referees call in the first game of district play Breitbach replied, "I thought the referee's call in the first game of districts was a bad call, but we still beat ourselves." It was the most balanced team Hempstead ever played.

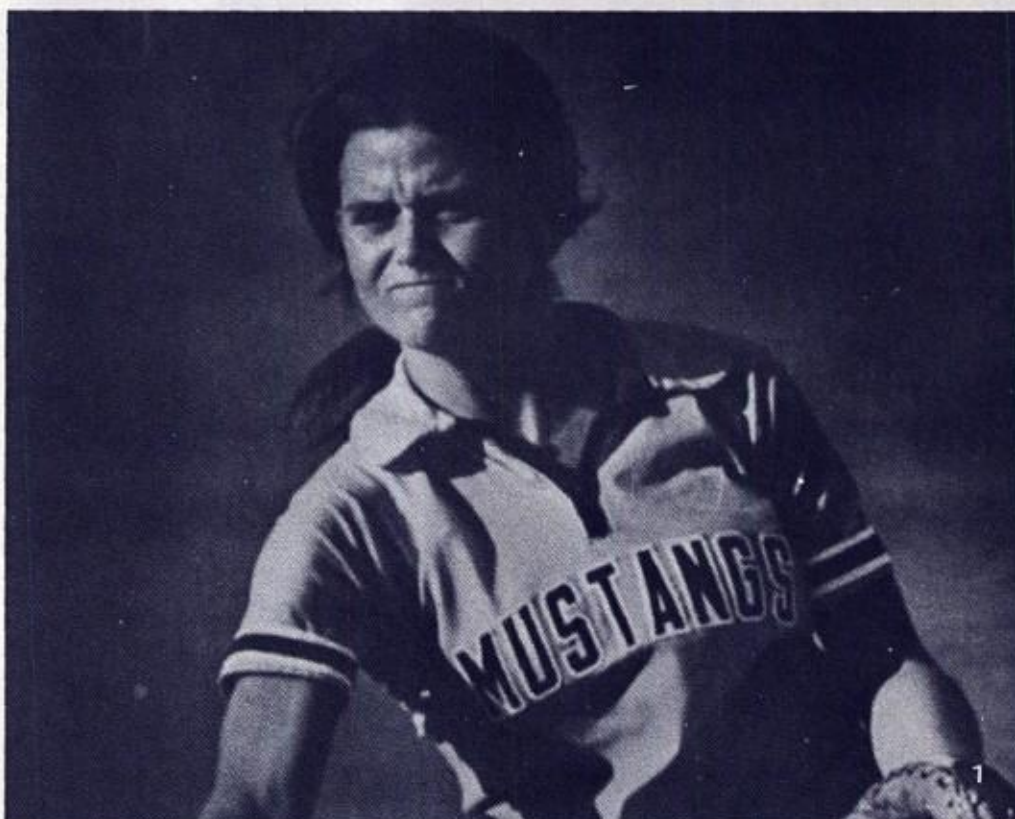

"Next season should be pretty good for the Mustangs since we have almost the entire infield returning," said Breibach, "Plus some good sophomores are coming up."

Girls Softball

Hempstead Girls Softball team had their best season of softball since they started. Compiling a 24-8 record, the girls went the farthest they ever went in District Softball action, losing to Senior by one run in 8 innings. This year the team has 6 returning seniors and a great pitching staff. Mr. John O'Connel say's "I have big hopes for this years team and I think our only problems will be in the injury department. If we can stay healthy we'll be tough."

Miracle Worker' Presented As Drama Department's Fall Production

William Givson's "The Miracle Worker" was presented in the Hempstead auditorium on the third, fourth and sixth of November. Vincent Williams directed the production based on the life of Helen Keller (Loey Leibfried) and her teacher Annie Sullivan (Jenny Burhorn).

"Putting on 'The Miracle Worker' and adapting the show to our stage presented numerous problems in every stage

of development. At the outset, the play made enormous demands, which required performers to act blind, a pump that actually spouts water, a complex set with several rooms, and on and on," explained Williams.

"In view of the problems encountered, the play came off well. The fruits of hard labor were shown in the full houses that resulted all three nights the play was presented.

Tri Double I

Each year the students in the band, choirs, and orchestra participate in a two day event with the high schools and those of Clinton and Freeport.

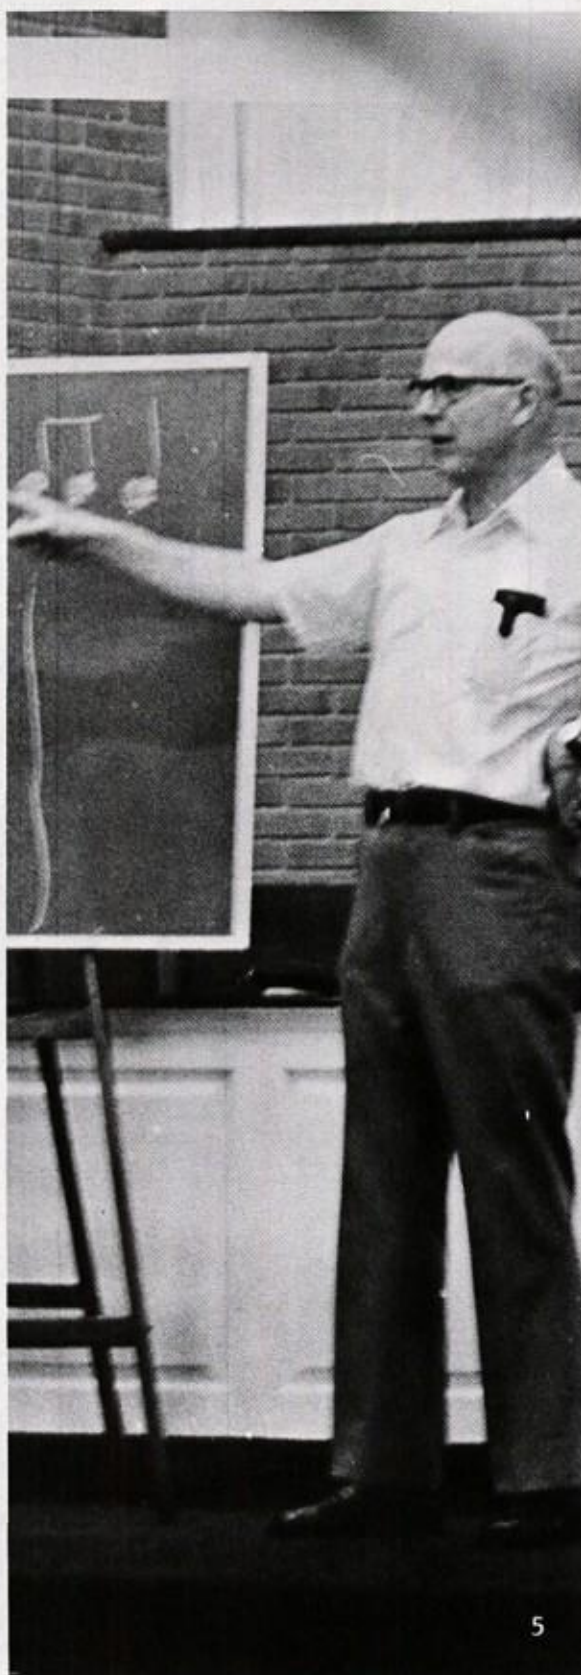

This year, Tri Double I was held at Freeport and next year it will be at Clinton. Hours of hard work were put in this program to get all the students to cooperate for a premier performance.

After the first night of performance there was a dance, which has been the tradition for many years.

"It was quite an experience taking part in Tri Double I. I met alot of new people there. I was really surprised that kids from all over could work so well together, especially with little practice, and a new director.

A record was made of the entire concert and was sold, " stated Michele McGowen.

Varsity And Concert Choir

Beautiful music is always streaming down the halls from the choir room. As both Varsity and Concert choir prepare the whole year through for their performances, given to both the many students of Hempstead and the entire public.

The Concert Choir began the year by appear-

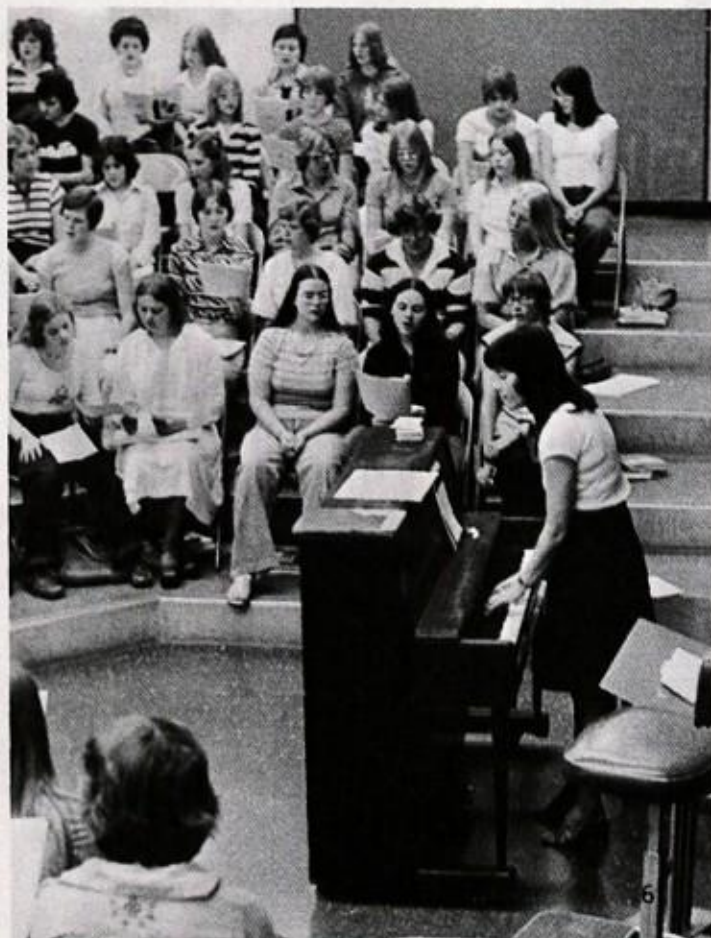

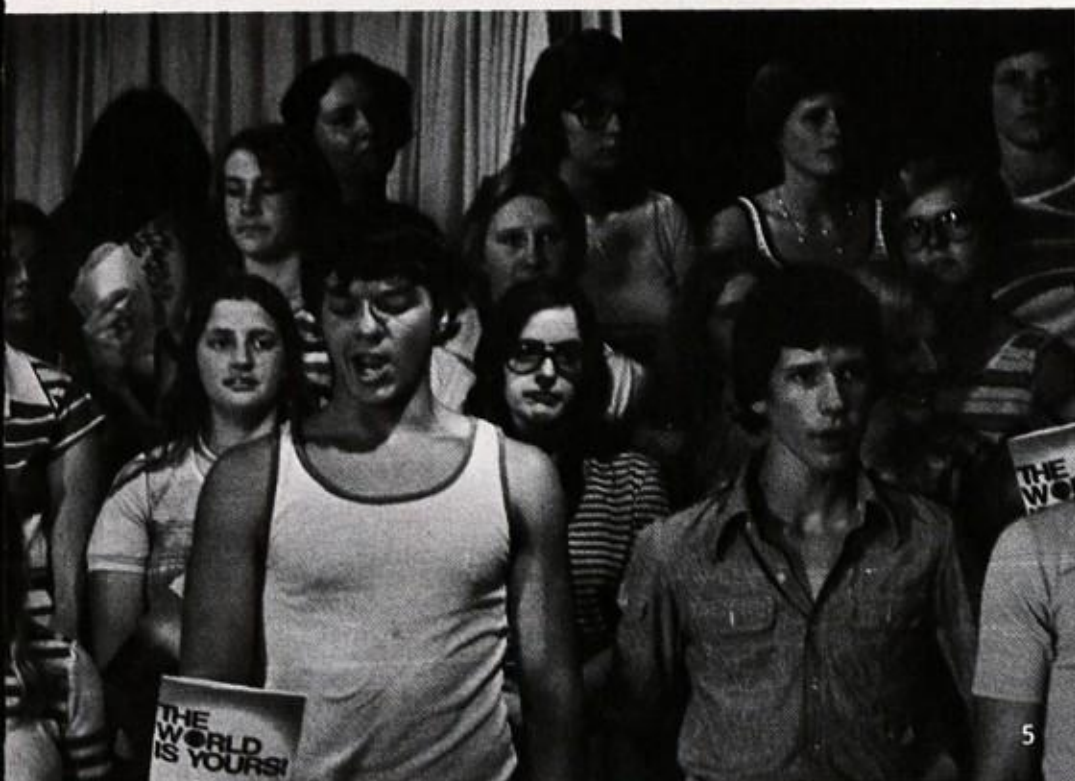

ing in the Variety Show, and continued with a Christmas Concert at the Mall, then finishing the year with Tri-Double I. Varsity Choir was busy with a Christmas Concert held at school, and the musical hit "The Sound of Music," then ending the year in May with a Spring Concert.

Around the middle of the school year Dubuque found out it would be the site for the filming of parts of a new motion picture, F.I.S.T. which stands for the Federation of Interstate Truckers. The movie's cast would be headed up by Sylvester Stallone of "Rocky" fame.

Norman Jewison, the combined director-producer of the eight million dollar production, is one of a handful of directors left who insists on real props, real people and real sets. This is why Jewison refused to shoot the footage he's doing here in Dubuque, on some Hollywood backlot for a third of the cost. More than forty cities were explored before Dubuque was chosen. "Jewison said, "When we first came

here (Dubuque) we didn't know we would luck into Caradco, with all the brick buildings and cobblestone streets"

When it was advertised and announced throughout the city that extras were needed, men ages twenty-five to sixty, flocked to the job employment center. Various members of Hempstead teaching staff tried out and received parts. People with vintage model cars were encouraged to lend their property to Huron Productions to help add realism to the set.

"Beneficial-very beneficial! With more than a million dollars being pumped into the local economy, plus major motion picture acting opportunities, the advantages are sub-

stantial". Vincent Williams.

"Anything to get Sylvester Stallone closer to me, I love it." Mary Callahan.

"It was neat at first all the excitement and everything but it is getting kind of old hear Sylvester this....Sylvester that....I'll be glad when it's over." Jane Dalsing.

"I have no interest in the film" Rod Wagner.

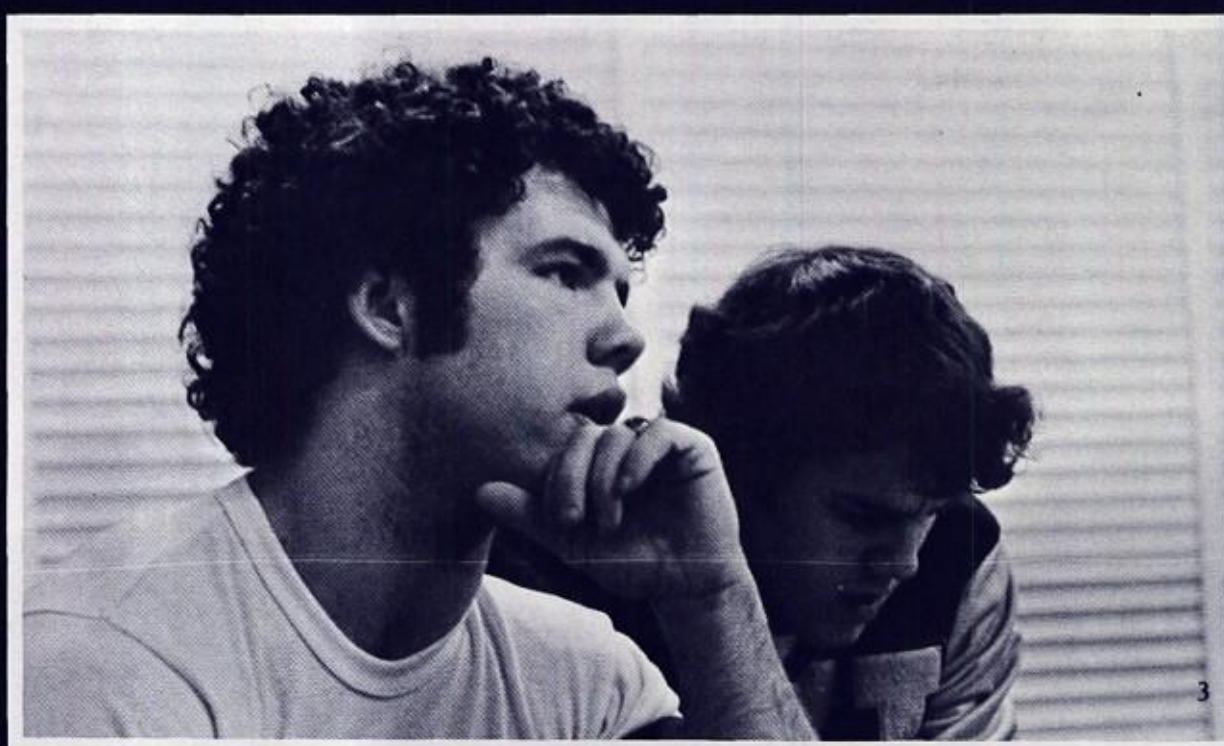

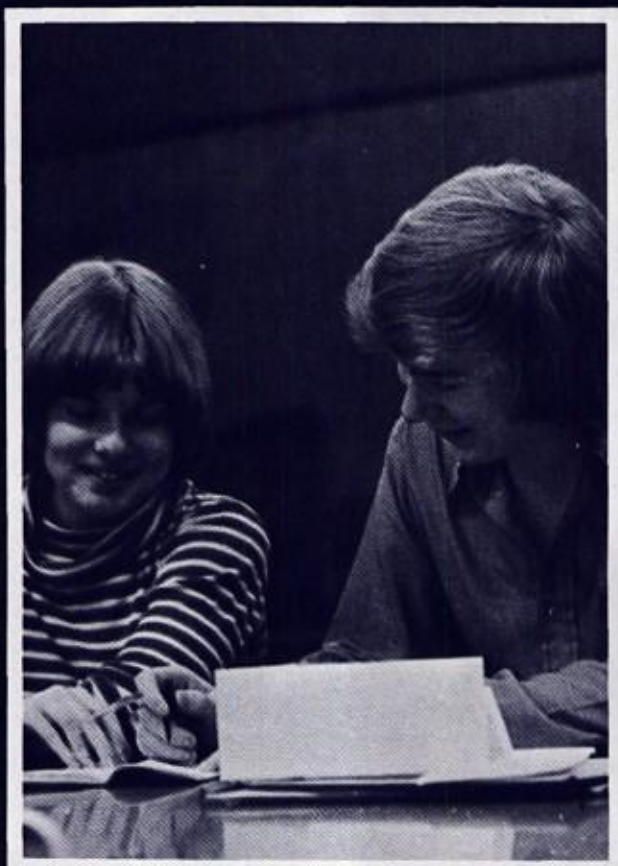

"I think the movie F.I.S.T. is great, It helps Dubuque out. And Someday I plan to be an actor." Arnie Jaeger.

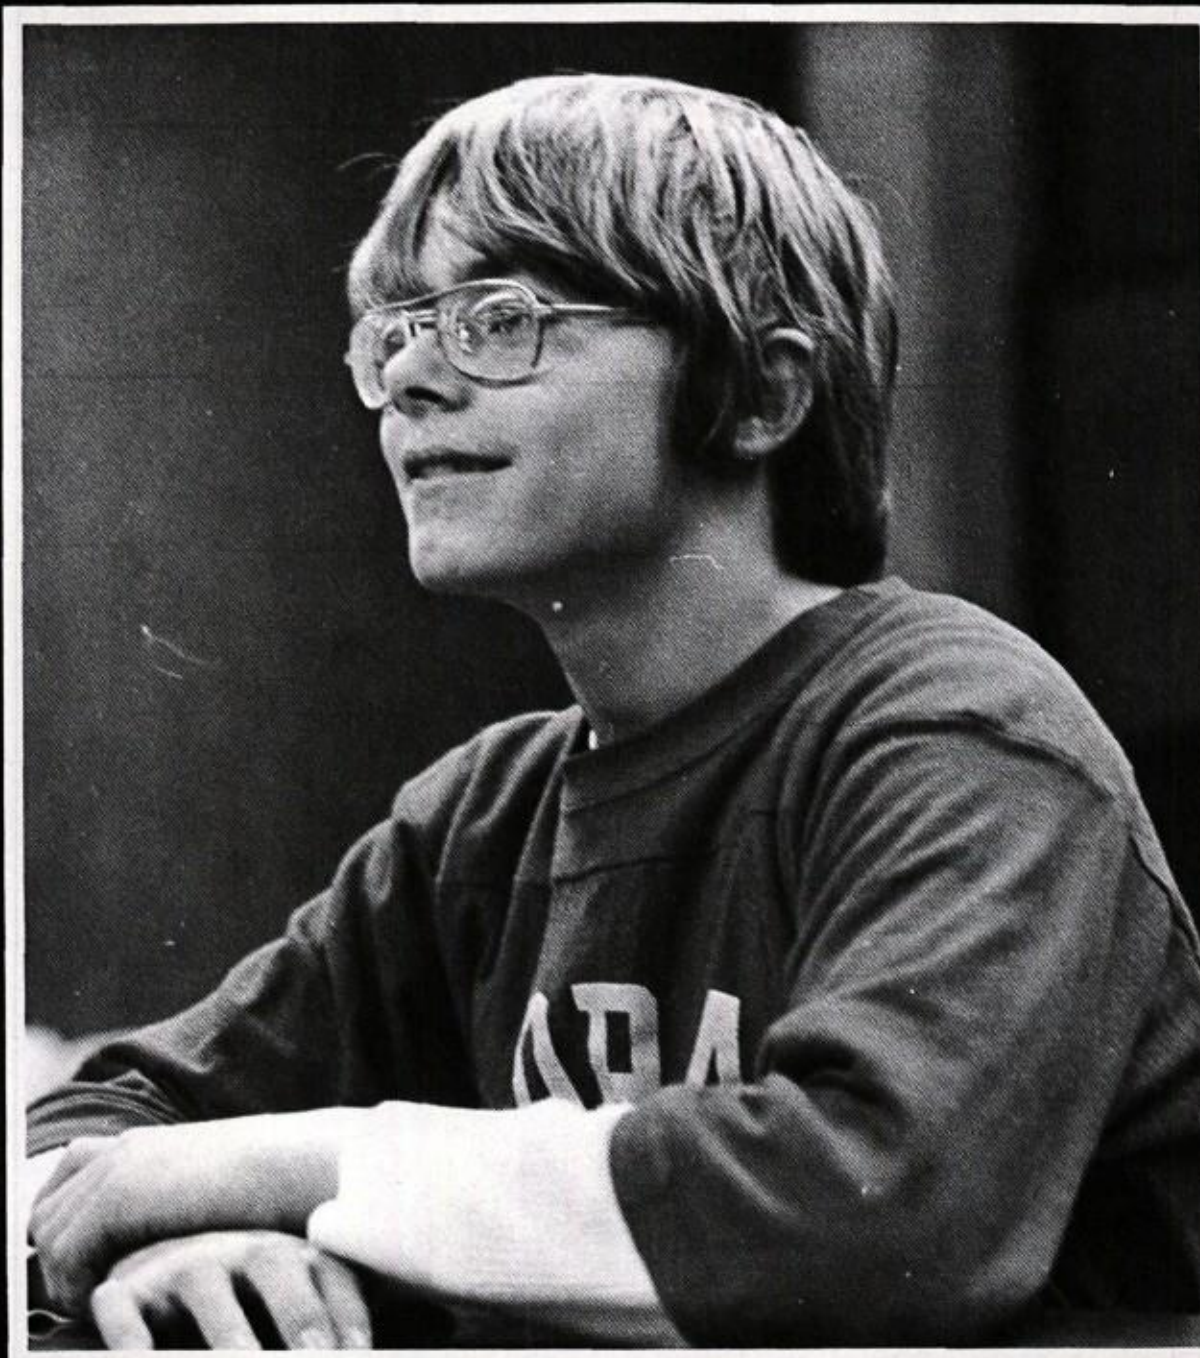

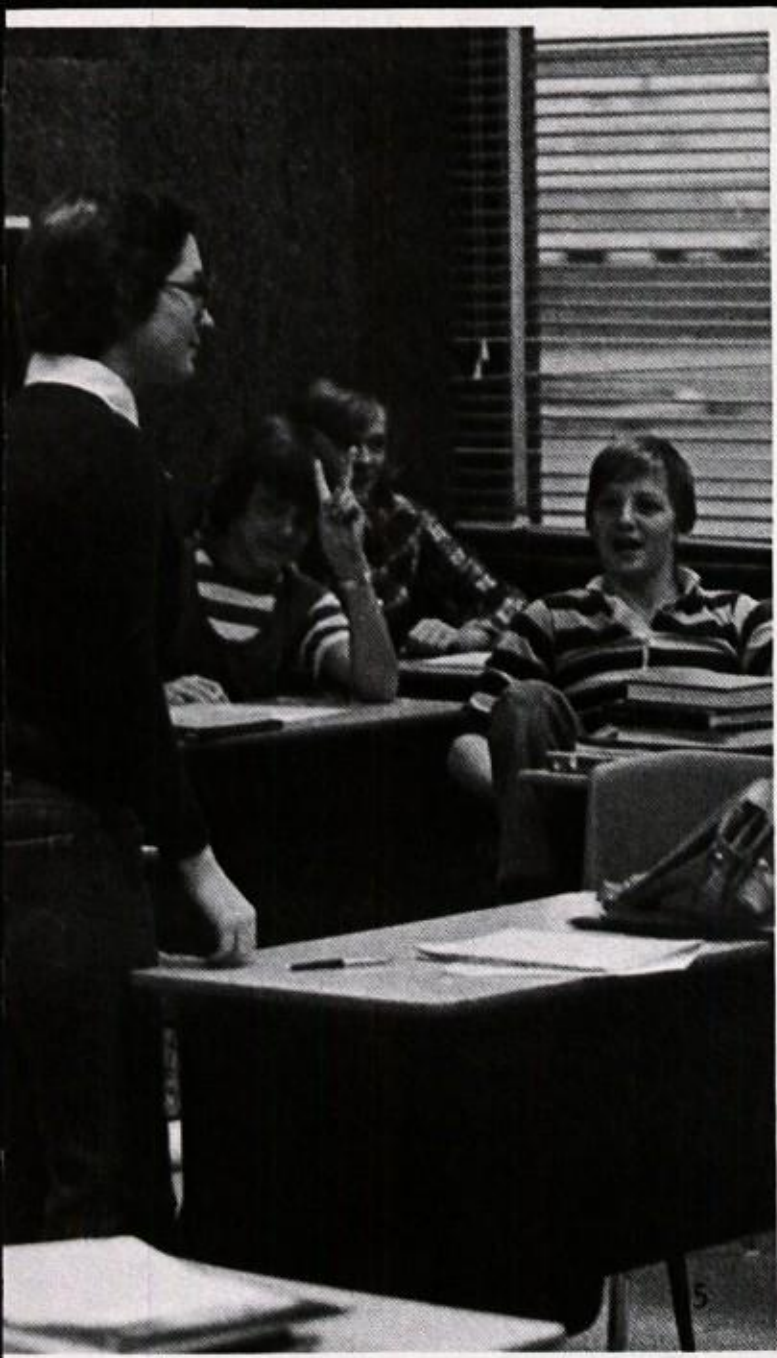

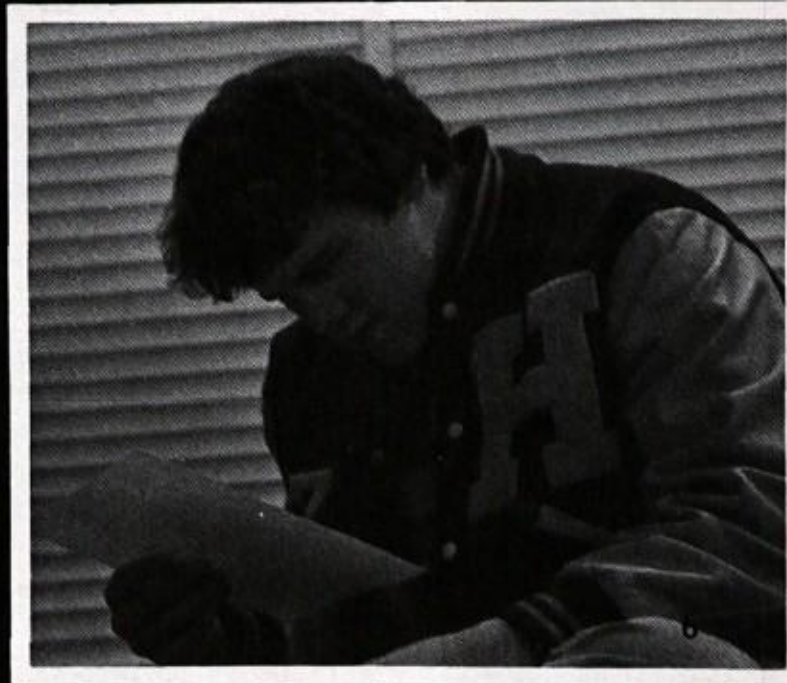

"I think It's great people who haven't had a chance to show their acting ability now can," Michelle Lewis.

They make money through membership dues, concession stand at football games, and track meets, ads from football programs, (which the profit of the sales go to the cheerleaders), and beef raffels. They sponsored a dance in March so they could start a bank account for the purchase of new band uniforms.

Hempstead boasts many new additions and equipment thanks to our Booster Club. These include new goal post and pads for Dalzell Field, wind breakers for the tennis courts, baseball dugouts, a weight-lifting machine, all-state pictures for the trophy case, and programs for girls softball.

Pep Club

After a lot of reorganizing, Pep Club was revamped and its wheels set in motion for the second half of the year. The job of Pep Club members is a difficult one, even more this year than ever, because of the tremendous student apathy that has developed here at Hempstead.

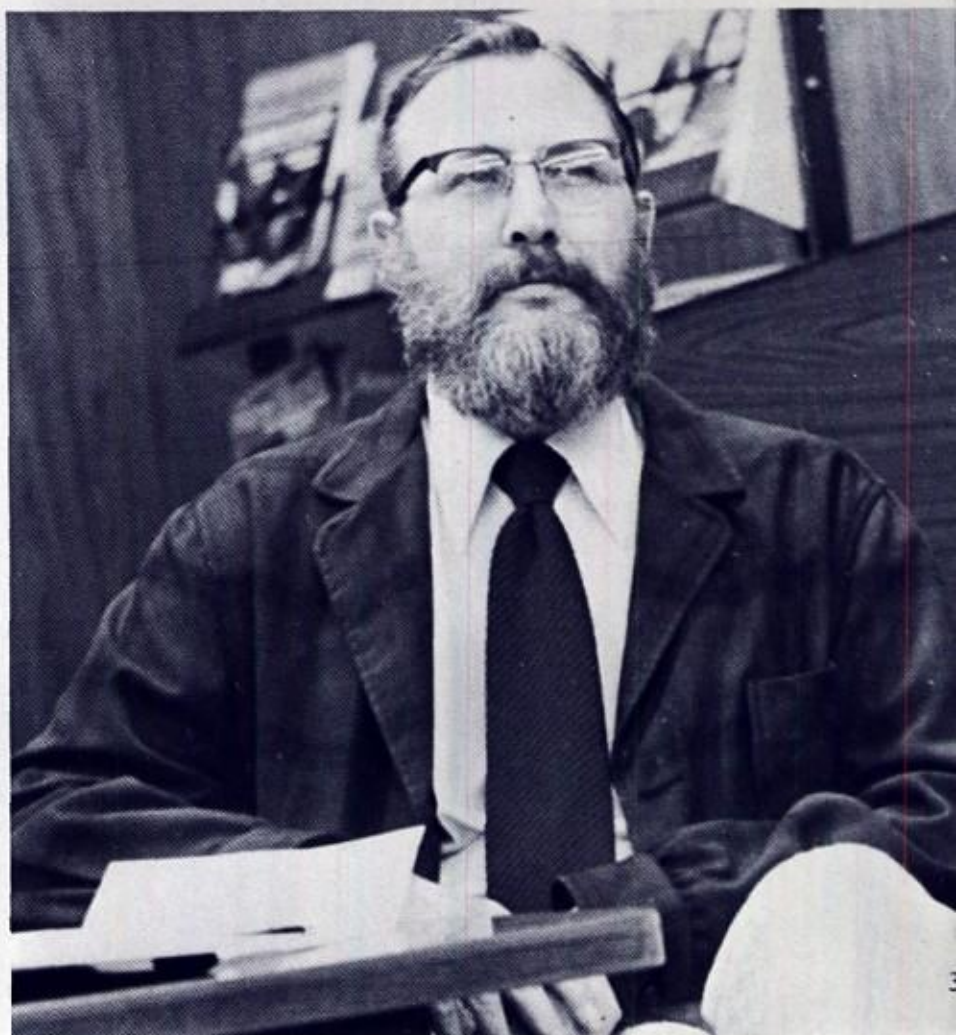

By attending all possible school activities, Pep Club hopes to develop school spirit to be proud of.

Judy Meyer obviously finds what Cindy Bleile is telling very funny. 6. Mr. Peck shows no emotion as he listens to the girls and their ideas about ways to achieve some pep here at Hempstead. 7. Jane Dalsing portrays a male swimmer in their choreography routine. 8. Key Club is a group of young men who act as a service organization. They meet on a regularly scheduled basis. It is sponsored by Kiwanis Club which is mainly an adult group. They have programs at all meetings which consist of speakers and movies.

The club donates money to many of the sports, sponsors dances, and holds service projects for the elderly. They have a booth at the County Fair to make money to start out the new year.

This years Stats Club consist of twelve girls. They take and compile statistics at all the football games and freshman basketball games. Rain or shine, the girls are outside at every game. The girls spend about two hours after each game compiling statistics. After the season is over they compile all statistics for each team. Stats Club is looking for new members for a better outcome in 1977-1978.

Sierra Society

If you are a Nature Lover and like vigorous activity out in the wild then, you have probably heard of Sierra Society.

Camping, crosscountry skiing, canoeing, mountain climbing, clean up hikes and paper drives are just a few of the many activities that take place during the year for Sierra Society members.

The Club is mainly interested in Ecology and the Environment and just plain fun.

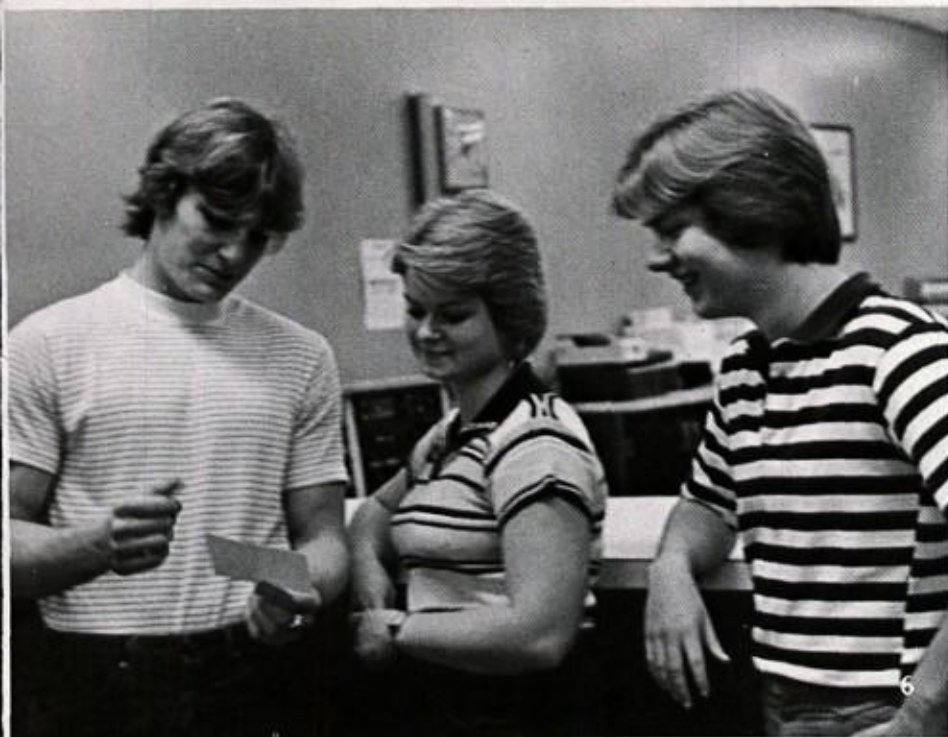

1. A slip of the foot could be disastrous. 2. BACK (L TO R): Mr. Worm, Bill Schwartz, Bob Snyder, Tony Nicholson, Mike Paar, FRONT: Nadine Menning, Kevin Menning, Neil Trevethan, Brigitte Marty, Karen Schwartz, Kevin Jirsa. 3. Karen Schwartz is deep in thought in the middle of a running stream. 4. Everyone gathers to eat after the long climb up the mountain.

Dows Exchange

The Dows Exchange program which was held March 6-12 was very successful and all the people involved had a great time.

Chris Muhlenbruch and John Johanson the two students who exchanged places with Wendy Nicholson and Scott Klauer for one week, said they had the greatest time and didn't want to leave Hempstead.

Dows is very different from Hempstead in many ways. For one; their school has only 365 people in it and that includes grades 1-12. As a matter of fact the population of our school is three times bigger than their town, which has 770 people in it.

5. John finds that getting on Mr. Hauth's good side, just might be beneficial in case he finds himself at the wrong place at the wrong time. 6. Randy Hall explains the purpose of a phoney pass. 7. By the looks on their faces the Dows exchange students are enjoying their visit. 8. John and Chris look through our library with genuine excitement. 9. Randy Hall and Louicse Neyens show Chris and John events that are happening in school.

Bowling Club

Even though there wasn't an actual Bowling Club this year, some interested students participated. Five boys teams and one girls team participated in district competition from Hempstead this year.

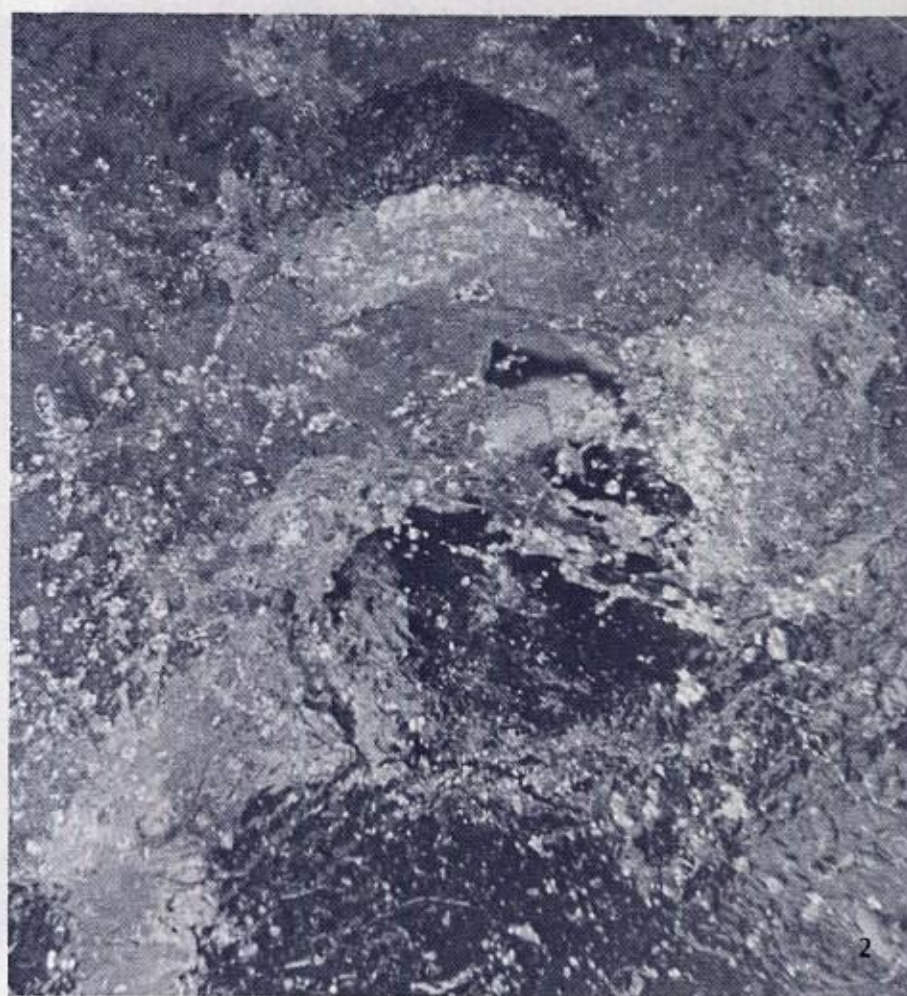

The boys' team, consisting of Ron Fuerst, captain, '79, Jeff Hedley, '79, Doug Rupp, '79, Rick Anderson, '77, and Dale Pfeiler, '77, won first in districts and went on to state. While the girls' team of Steph Vogt, captain, '78, Lyn Jungblut, '79, Cathy Clifford, '78, Faith Hardtke, '78, and Kim Kruser, '78 came in second at districts and also went to state. Both teams finished in the top 20 in the state competition. This was the only form of competition for the bowlers to test their skills against other young bowlers.

Water Polo Club

This year's Water Polo Club team consists of Hempstead students; Kirk Brotherton, '79, Joe Johnson, '79, Ed Bowers, '78, and Tim Townsend, '79. Also five Senior High students were on the team. In many high schools, lack of interest is one reason the Water Polo team didn't have much competition this season. But they have played against Rock Island several times and think of competing with colleges.

Members of the Bowling Club. TOP ROW (L. TO R.); Ron Fuerst, Coach Ken Resch and Faith Hardtke. BOTTOM ROW (L. TO R.); Cathy Clifford, Lyn Jungblut and Kim Kruser.

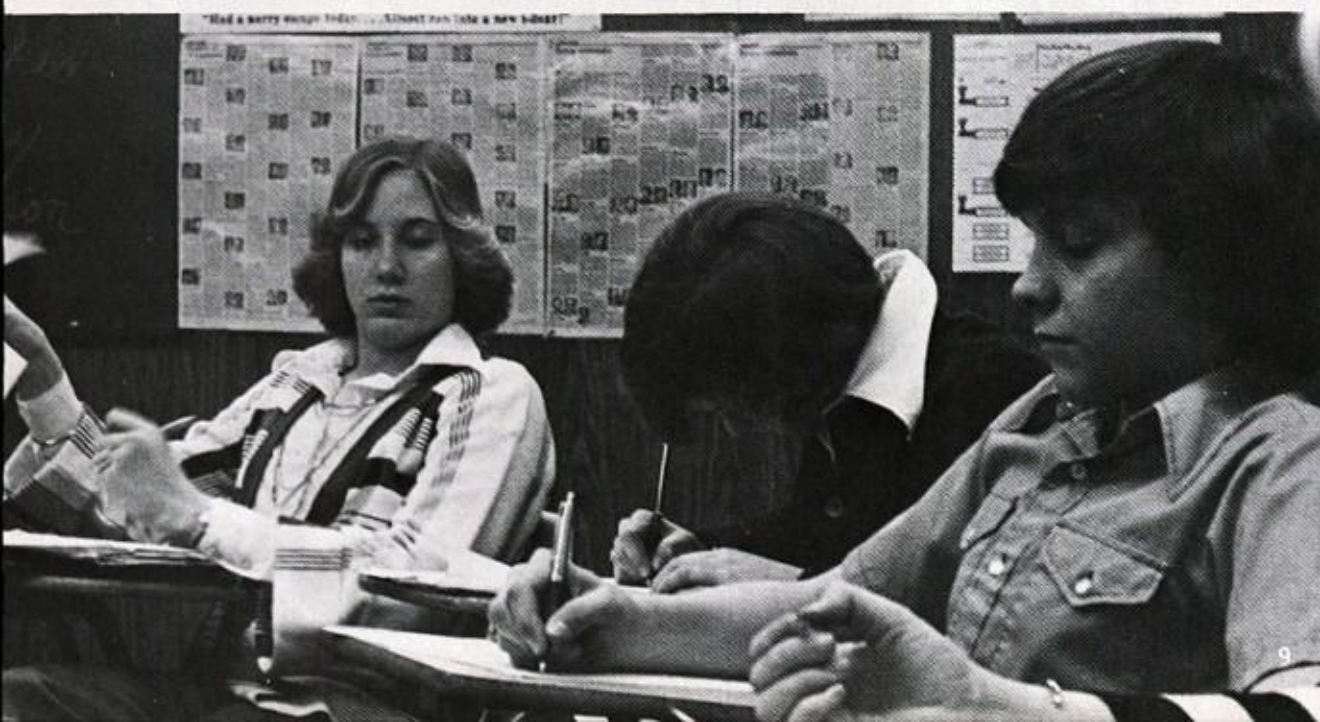

Student Government

This years Student Government, in my opinion, was fantastic. We had a group of people who were willing to put in their time and talents to insure a productive year.

These people work every day, seventh hour, to put on programs such as Homecoming, Dances, Bakesales, The Spring Program, Film Festivals, Truck Washers, H. E. M. P. (Help Enlighten More Parents), S. T. E. A. D. (Student Teacher Exchange Action Day), Restructuring the Senate, Exchange Speakers Program, Mustang of the Month, Spring Elections, Hempstead Birthday Calendars, Publication of the Student Government Flyers, to mention a few.

I hope through this year Student Government, students will realize we will help them out and maybe more students will get involved and use our services for their benefits. I really think this year's student Government was effective and students realize that we do have a meaning and are willing to help the student body.

Thank's everyone, for making this a success!
Shelly Mechert, President.

Shelly Melchert (President), Tom Pleimling (Vice-President), Louise Neyens (Publicity), Linda Becker (Project), Wendy Nicholson (Social), Karen Lex (Internal Organization), Russ Schwartz (Elections), Chris Claussen (Interschool Communication), Tim Feldman (Student Rights and Responsibilities), Lois Brokish (Secretary), Dianne Jenkins (Treasurer), Mr. Ruden (Advisor).

Home Economics Club

TOP ROW, LEFT TO RIGHT: Mrs. Jan Welbes, Jamie Kretz, Joyce Plumley, Denette Elgin, Mrs. Jan Ihlers. MIDDLE ROW, L TO R: Denise Frederick, Kristi Hubbard, Delorse Frederick, Kim Orberg. BOTTOM ROW, L TO R: Tina Kemp, Beth Hubbard.

The philosophy of the 1976-1977 Home Economics Club is 'To provide opportunities for personal growth, social experience, and community service in the field of Home Economics and related areas.'

This year's club proved to be what it was expected to be. With the help of the advisors the girls planned many different activities. The advisors were Mrs. Welbes, Mrs. Mangold, Mrs. Steckline and the rest of the Home Economics teachers.

Next year the girls hope to have many new members who are interested in the Home Economic field.

1. Tina Kemp waits for a final decision. 2. President of Home Ec Club Joyce Plumley, takes her job seriously. 4. Kristi Hubbard is lost in another world. 5. Kim Ortberg has thoughts about her material as she looks over it. 6. Delorse Frederick voices her opinion. 7. Jamie Kretz laughs at a joke. 8. Beth Hubbard leads a discussion during a meeting. 9. A group of girls listen as one of the advisors speaks.

N.H.S.

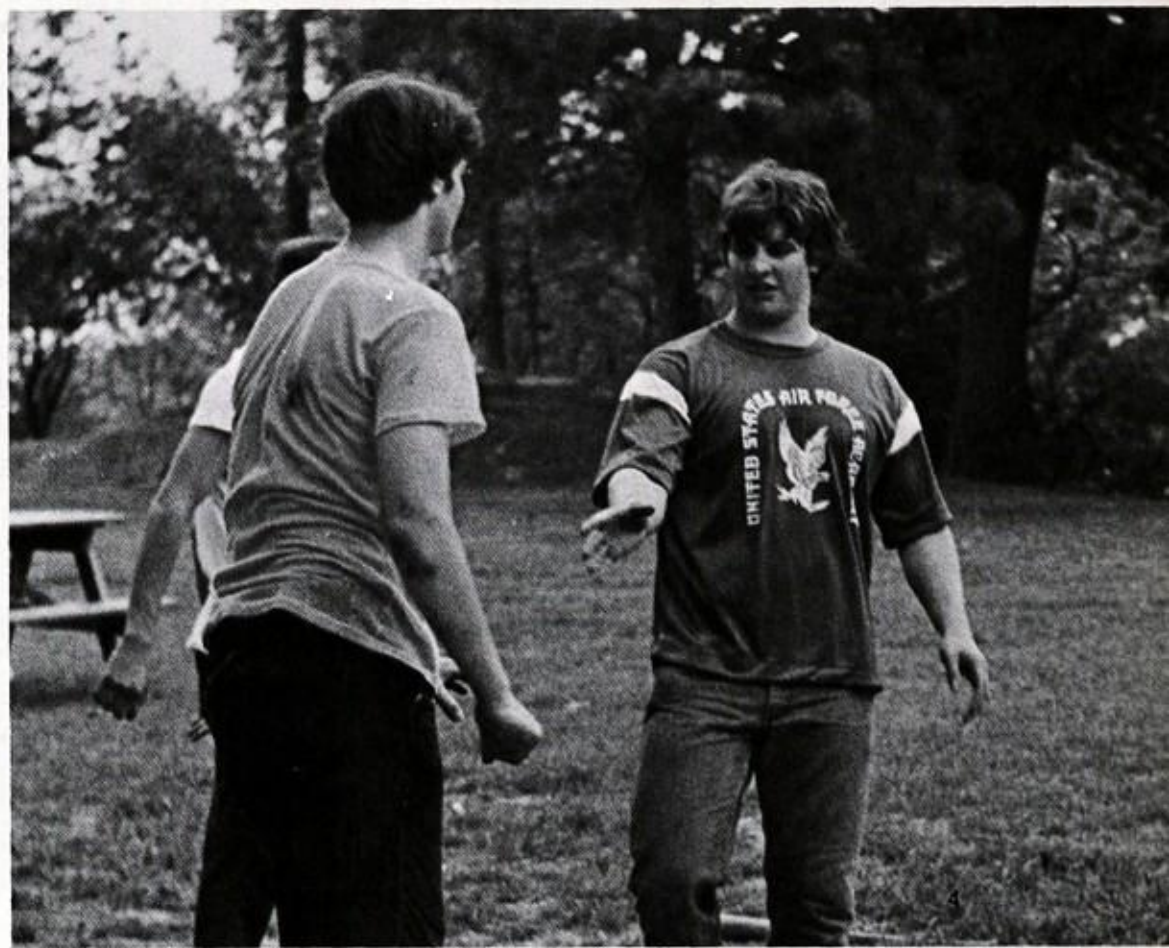

On Tuesday, May 3, the Hempstead Chapter of National Honor Society held their annual induction ceremony in the Auditorium. Fifty-five Juniors and twenty-four Seniors were added to the club this year.

To be considered for NHS you must have a 3.0 cumulative grade point average. The entire faculty then evaluates the candidate in the areas of leadership, service, and character. No more than 10% of the Junior Class and 5% of the Senior Class may be elected in any one year.

Among the activities for this years NHS was a picnic at Eagle Point Park.

1. Mr. Rambolt advisor for NHS fixes hot dogs for all the members. 2. Dennis Kivlahan makes an attempt to save the ball as he is assured the back row will save it. 3. Miss Beasley, Mrs. Salem, and Mrs. Maddox, the other advisors for NHS were having a talk as the kids play volleyball. 4. Mark Hartung accepts defeat with a friendly hand shake to Woldo.

Legend has it that a high administration official caused mean heart-attack rendering panic in one English teacher in a recent year.

It seems two teachers in the department constantly searched for practical jokes to pull on each other.

One day teacher A began crawling down the Media Room hallway in an attempt to "scare" Teacher B. Suddenly teacher A felt the presence of an imminent being close by.

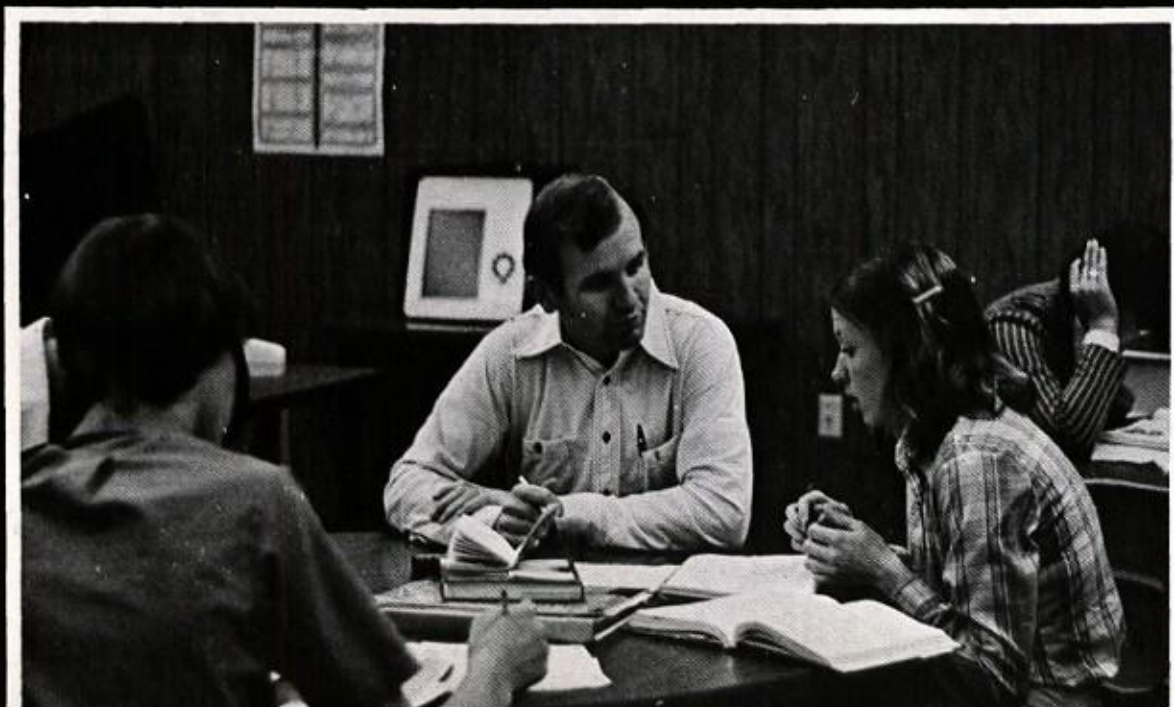

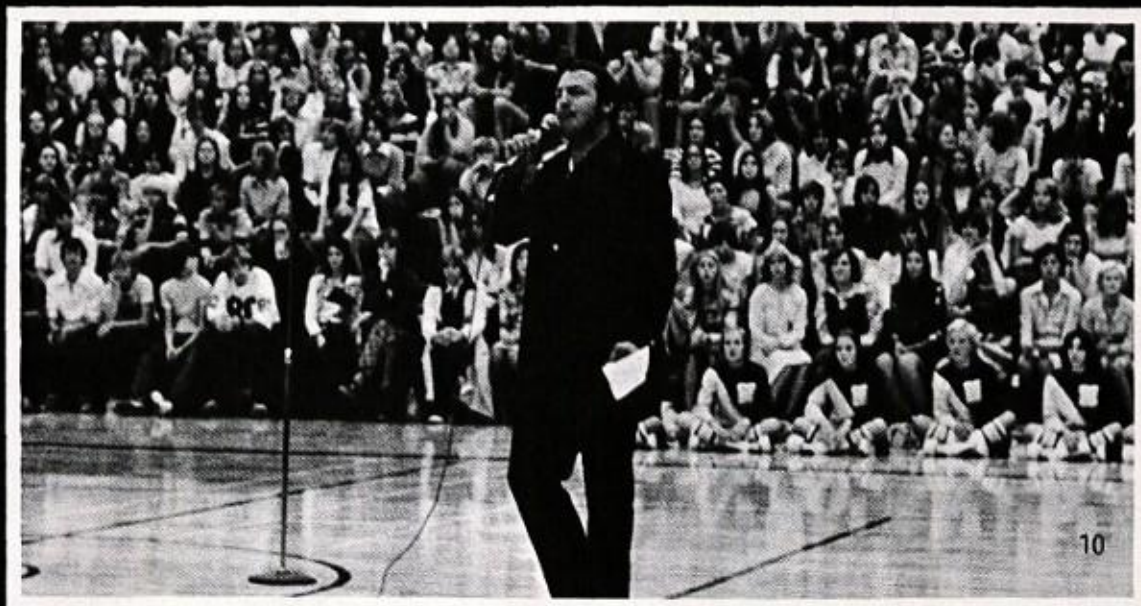

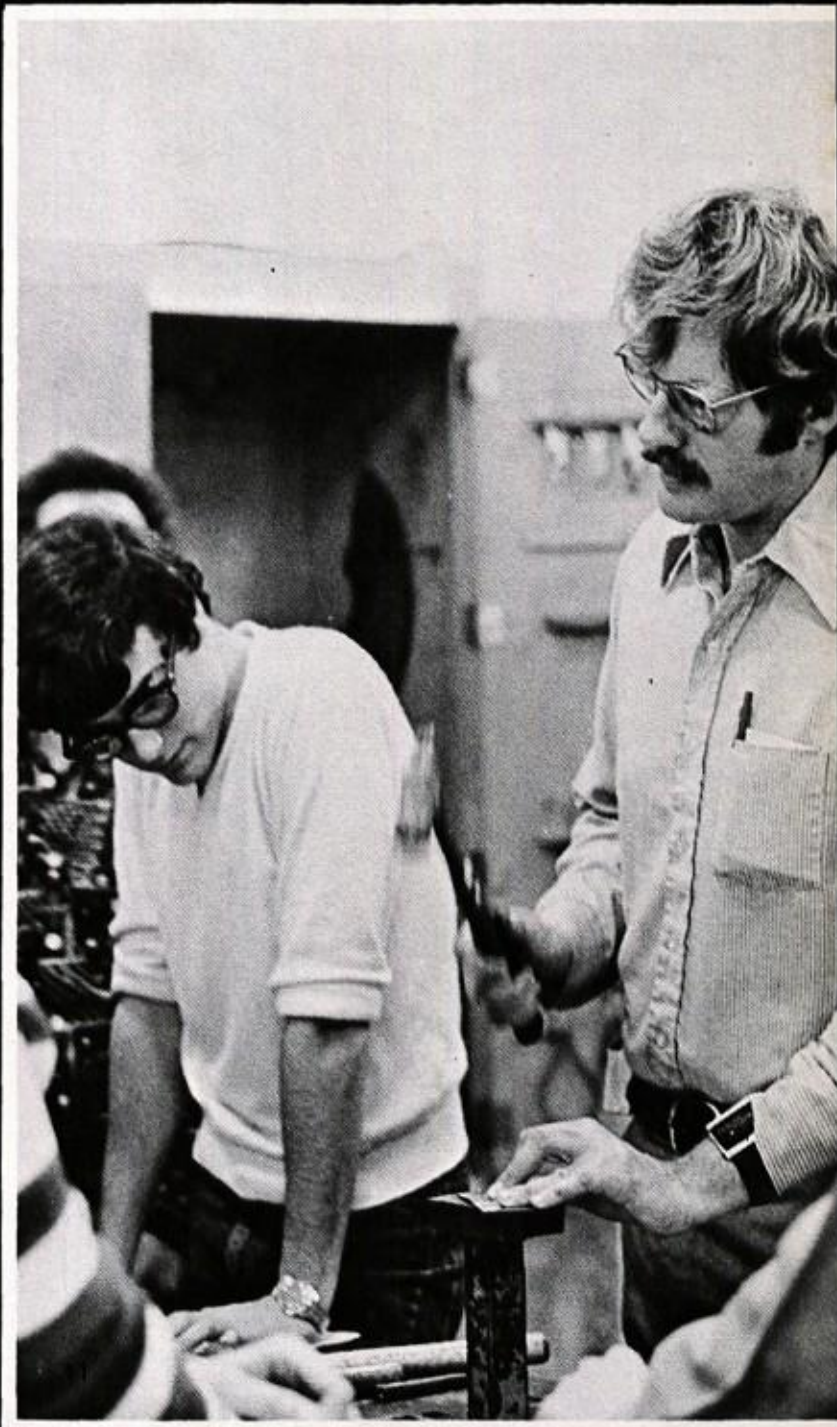

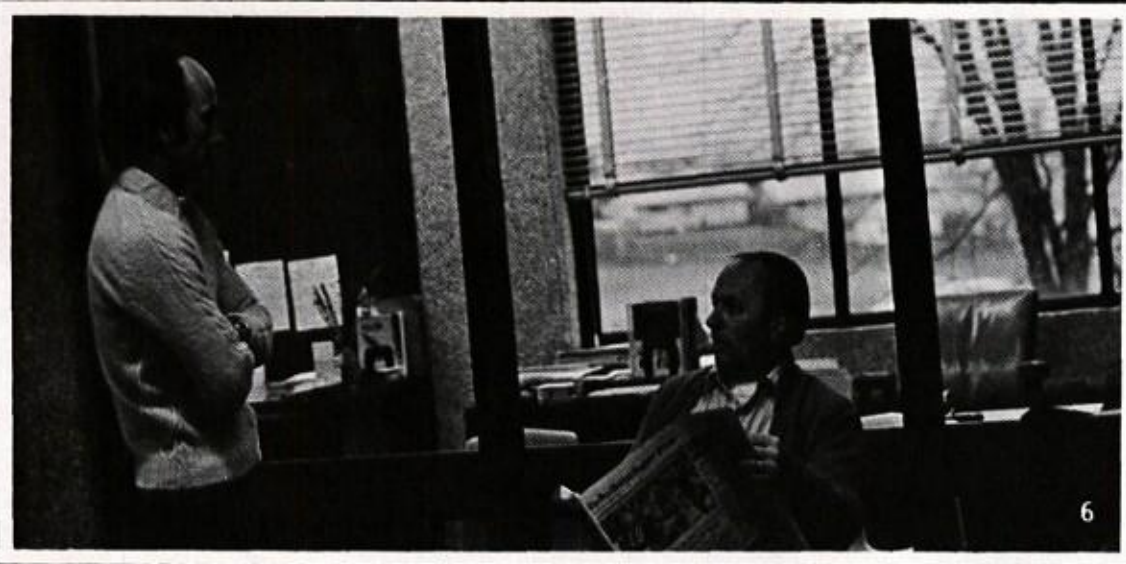

With a questioning look on his face, the administrator asked teacher A what mischief he was up to.

Red faced, teacher A replied "I, er, lost a contact can't seem to find it anywhere."

Yearbooks are like fine wines. As the years pass, both the fine wine and the yearbook grow in value to its owner.

A yearbook should capture memories of a school year from beginning to end. From registration day to the Mississippi

1. Co-Editor Liz Orth (R) and Lorna Kahle (L) examine page proofs for mistakes. 2. Photographers Kim Adams, Randy Hall, and Michelle Liebold examine a contact print "under the safelight" in the darkroom. 3. Dawn Hansen and Jean Lauer exam-

ine prints for use in the spring play pages of the yearbook. 4. Bill Peck, Associate Principal, and Yearbook advisor Jim Nicholson look over lay-out designs in the yearbook "dummy book". 5. The 1976-77 Equine Staff. 6. Michelle Liebold, took first

Valley football title game, to Homecoming, to the "Sound of Music," to Winter Formal, to the Sadie Hawkins Dance, to Tri-Double I, to track, Prom and then Graduation, the "Equine" staff has tried to capture the memories of the 1976-

1977 school year in copy and pictures between its cover.

Yearbook editors Ann Davis, Rich Guns, and Liz Orth guided their staff in efforts to make this "Equine" the 'best ever' yearbook in Hempstead history. You, the reader must

determine if they have been successful.

But, like the fine wine which mellows with the passing years, the "Equine" will mellow into memories, sad and pleasant alike, of the year, 1977.

place honor in the girls division in the 'Sadie Hawkins Dance Costume Contest' Sponsored by the yearbook staff. 7. Finding a picture of one student can be an all-staff problem as they check picture rolls for a missing picture.

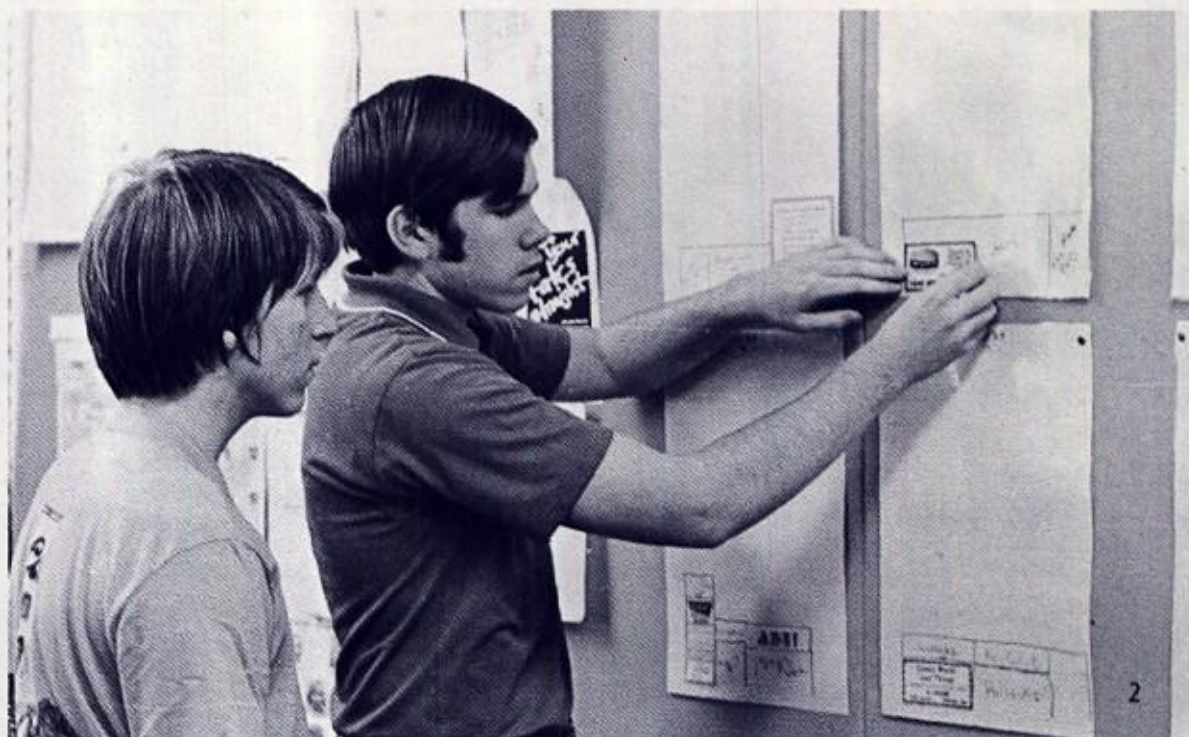

Yearbook

According to definition, a newspaper's purpose is to inform, entertain, persuade, and educate its readers. The "Equestrian," in examining amnesty, drinking problems, broken homes, pornography, and the occult has attempted to deal squarely with issues facing Hempstead students.

As part of its editorial policy, the "Equestrian" featured personality profiles on interest-

ing students, faculty, and staff. Interesting people exist in every society, especially the sub-society known as Hempstead High School.

The "Equestrian" staff attempted to keep the student body informed of events and happenings around the school. Co-editors Lois Brokish and Doug Herold assigned news and feature articles designed to let the student body know that was "in-the-news."

1. Rosie Corken "paste-up" her pages before sending the paper to the printer. 2. Dan Anderson, and Tim Knockel plan layouts. 3. Photographers, Arnie Yaeger, Jay Patters, and Karen Kortge, provided photo coverage. 4. Co-Editors: Doug Herold, and Lois Brokish check "dummy" page design. 5. Nick Nichol-

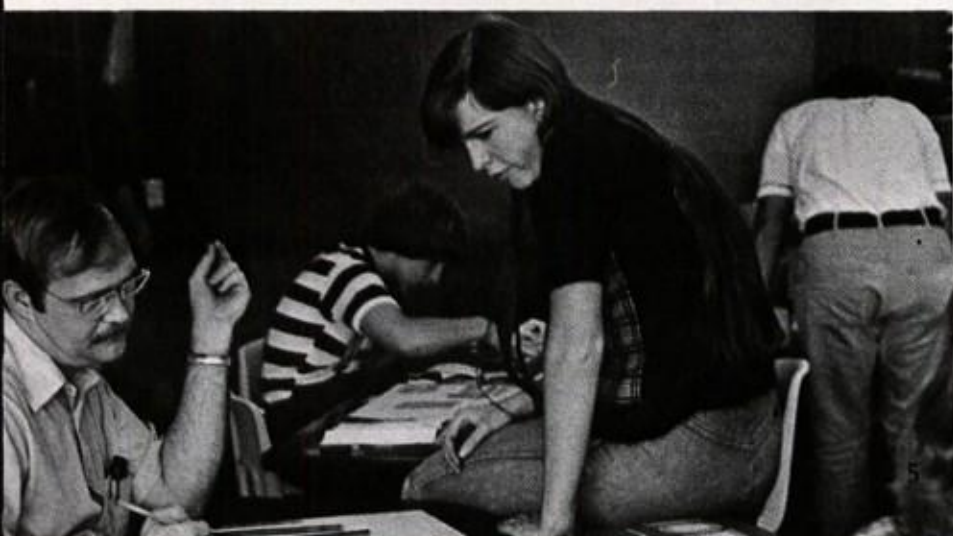

son, staff advisor, and Karen Kortge check negatives for a "cover-picture." 6. The Equestrian Staff (L. TO R.): Jay Zep-eski, Rosie Corken, Jay Patters, Lois Brokish, Steve Delaney, Terry Weust, Arnie Yaeger (STANDING), Doug Herold, Dan Anderson, Karen Kortge, Janet Datisman, Kim Wold, and Tim

Sports coverage increased to three pages in the "Equestrian." Coverage of intramural sports became a standard feature of "Hoof Beats."

Longer pictures and picture features appeared in the 1977 "Equestrian," as did the 'magazine' cover format adapted this volume's twelve page issues.

In all, the "Equestrian" staff considered their efforts successful in a very good year.

Graduation 1977: A Beautiful Day!

With the approach of spring thoughts of Seniors turn daily to graduation which seems like many days away.

Suddenly the last day of school for seniors arrives and the Senior Awards assembly has come and gone.

During these last days parties, ball games and beerbusts fill the time of graduating Seniors.

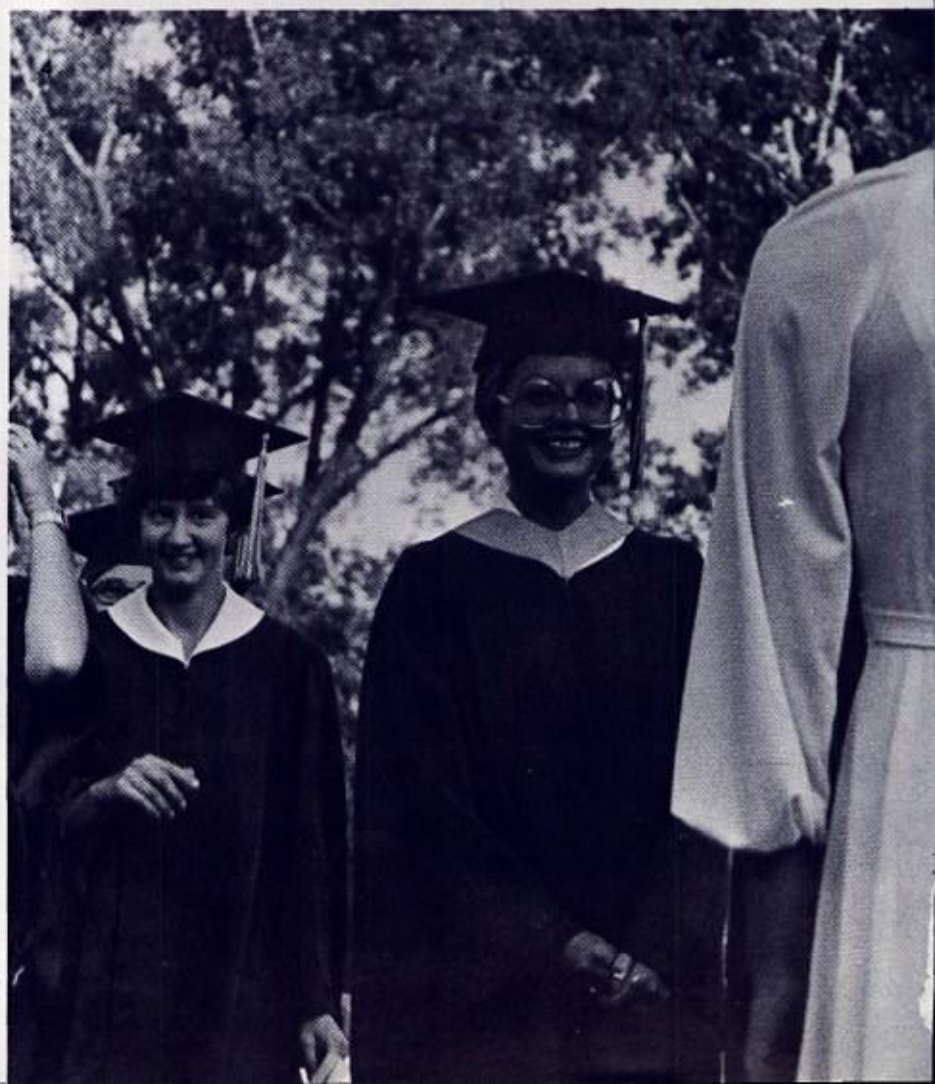

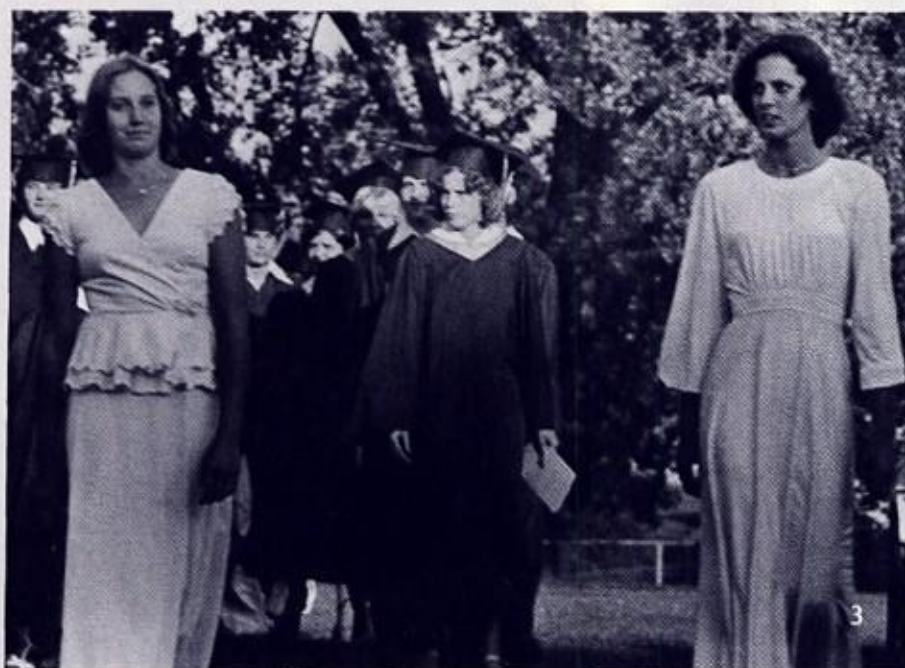

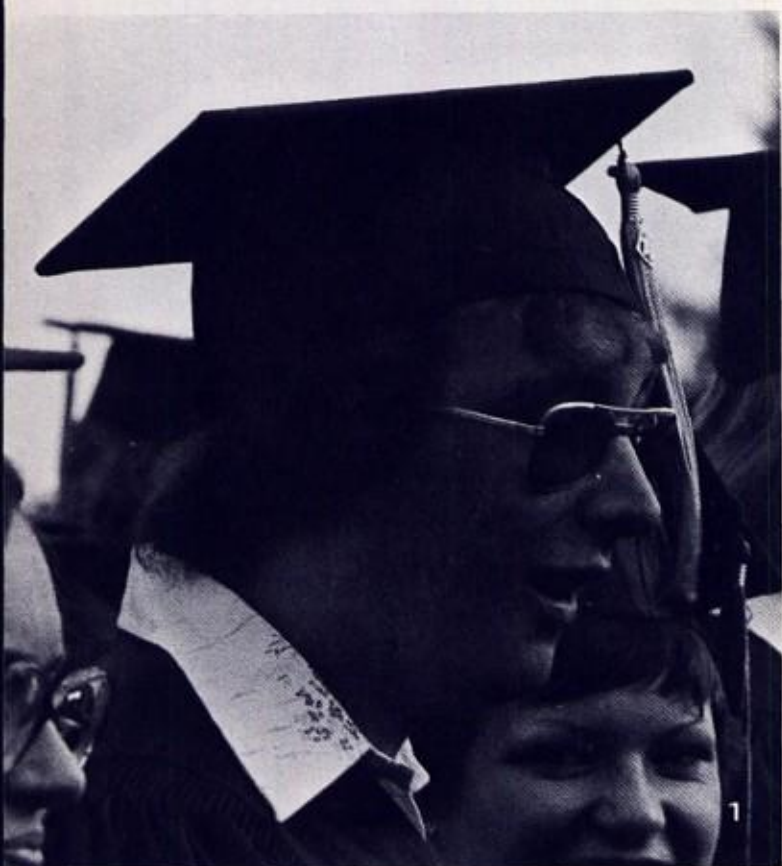

Graduation day then arrives and the long tiring experience of graduation rehearsal fills the last day.

Early in the evening the final march of high school careers begin, for Hempstead's Graduating Class of 1977.

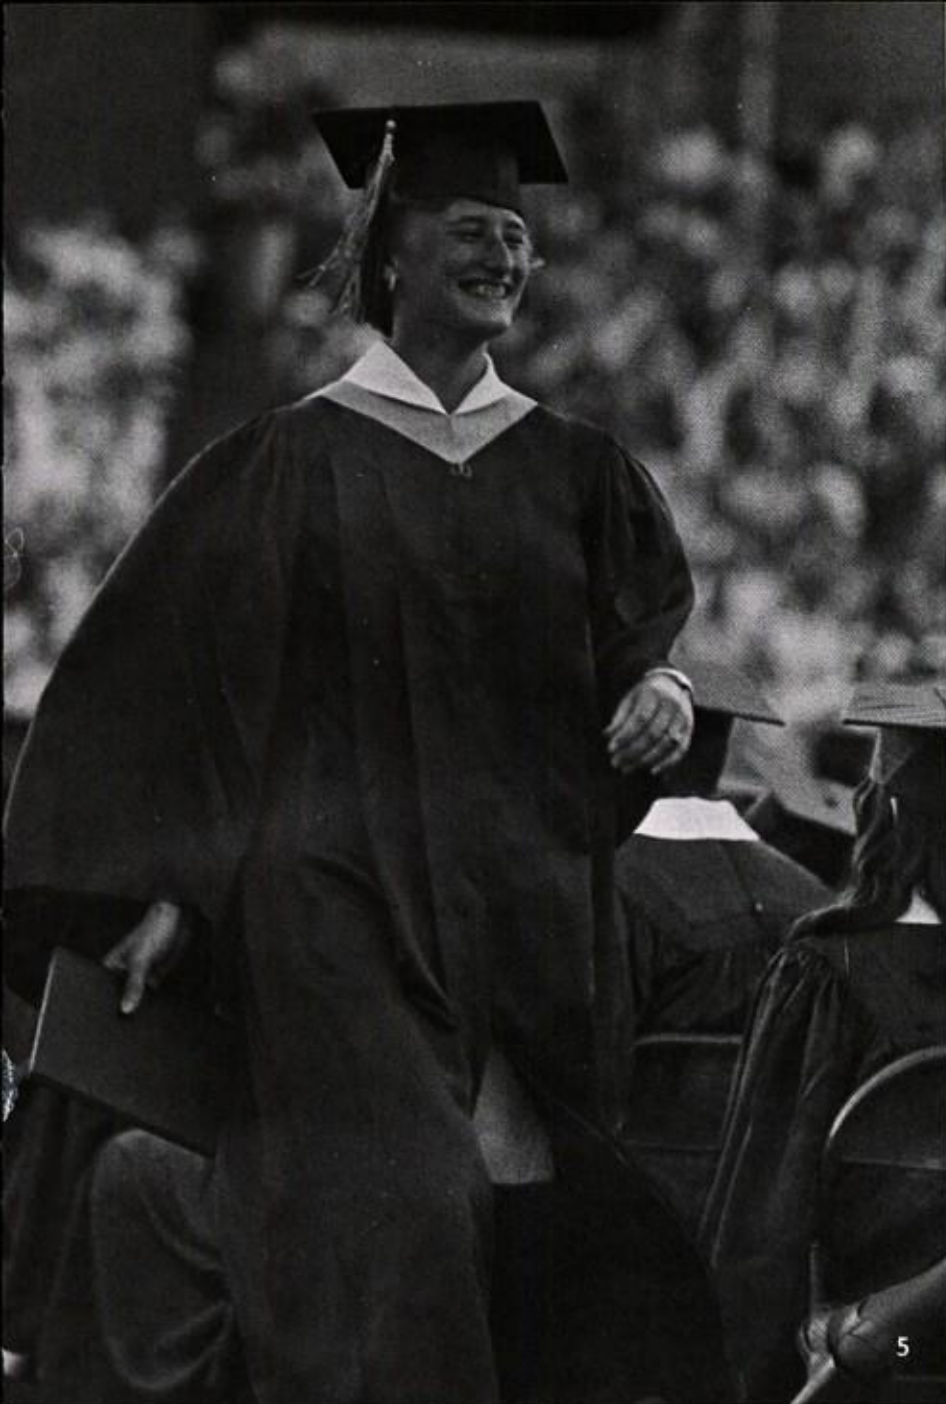

Dalzelle Field rang to POMP AND CIRCUMSTANCE as 520 seniors marched into the stadium.

As they waited, seniors, many of them, reflected on their high school career. Some were glad to get it over with. Some were sad to graduate, some didn't care and a few were only amazed that they made it.

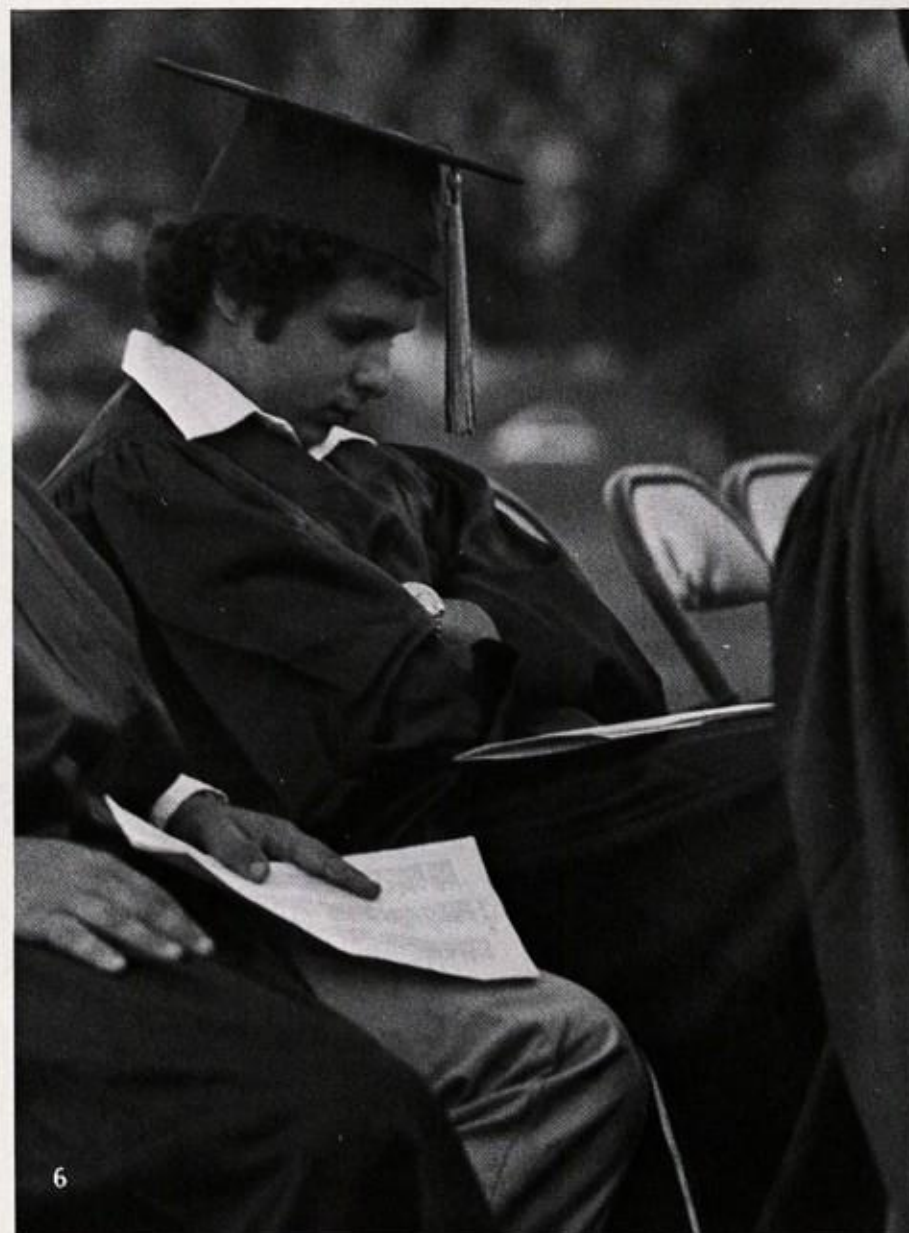

In all, graduation '77 proved an exciting and rewarding night for all involved.

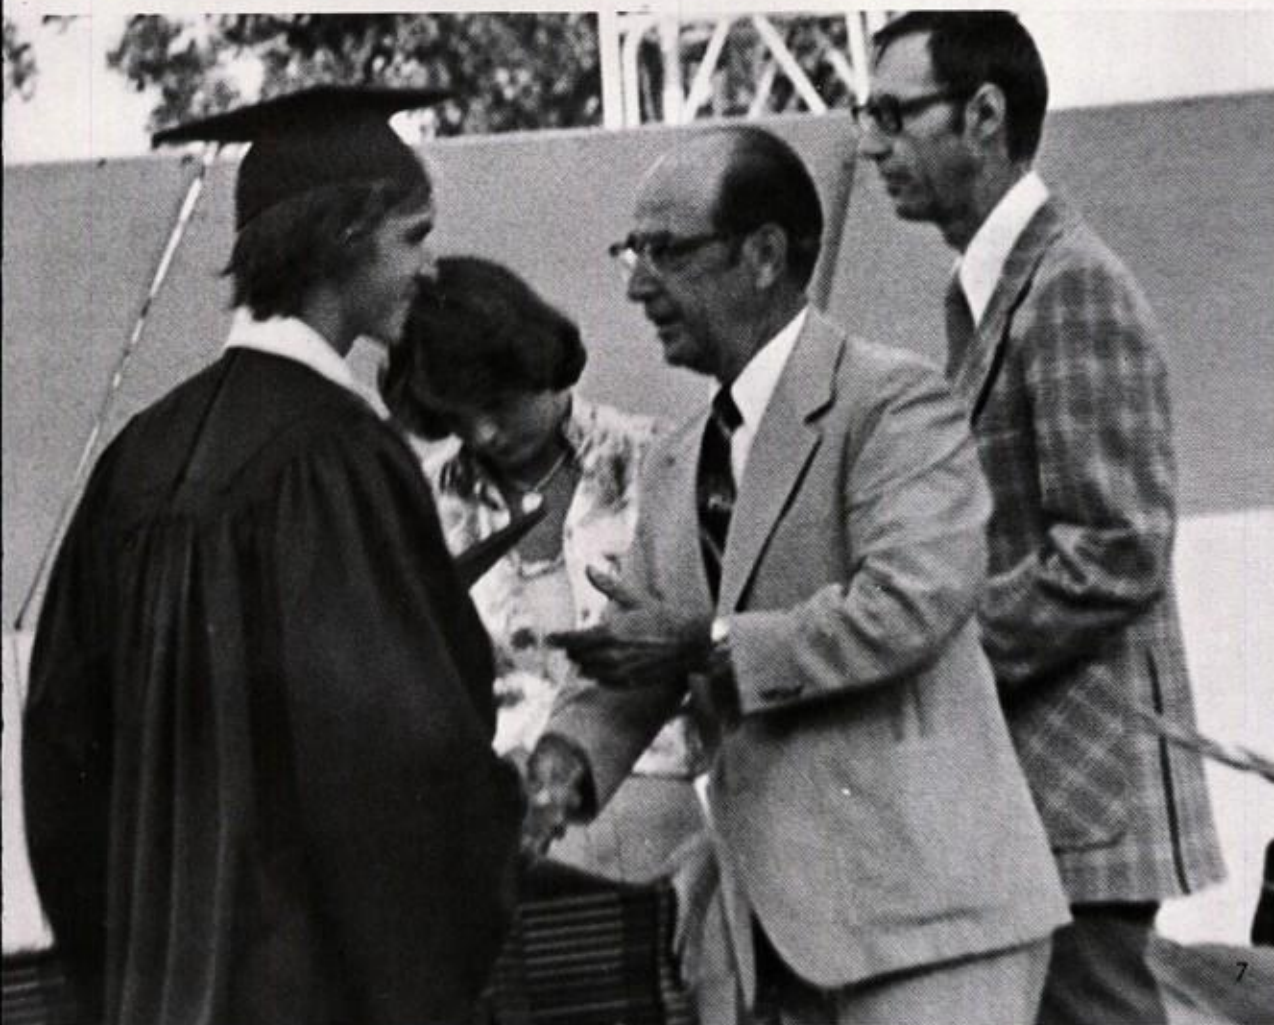

1. Perry Mason looks surprised at having 'made it.' 2. Hempstead's Concert Choir performed at graduation, with Seniors singing their last high school concert. 3. The march begins. 4. Lisa Barton looks 'ready to go' on graduation night.
